White, first vice president Tuesday Afternoon club of Glendale; Mrs. Howard M. Miles, reciprocity chairman of Twentieth Century club of Eagle Rock; Mrs. Ernest A. In the afternoon three State Federation chairmen contributed to the program. Mrs. Anne C. Stalp, C.F.W.C. music chairman, talked on "Bells, Candles and Carols." Mrs. Thomas L. Nelson, C.F.W.C. Bible chairman and Mrs. Rae L. Ribler, C.F.W.C. chairman of literature, participated with the topic "The Birthday of a King."

Hugo Kirchhofer, accompanied by Mrs. Rebecca Grimes, sang a group of songs.

Under the direction of the two Los Angeles County C.F.W.C. chairmen, Mrs. J. C. Carrier, music, and Mrs. A. A. Vermulen, official accompanist, Christmas carols were sung. Mrs. Scott, Los Angeles County C.F.W.C. president, presided.

**MRS. A. L. HUDSON REPRESENTS CLUB**

### Womens Activities

By MARY VONDERAHE

**TALENTED . . .** Bonnie and Terry Denton, children of Mr. and Mrs. Claud V. Denton, 1543 W. 214th st., who have appeared on many delightful programs recently. (Story by Mildred Hunt follows.)

Every child at some time or other has an ambition to dance and sing. However, once in a blue moon youngsters of exceptional talent advance from the amateur ranks to the professional field. Such may be the case of Terry and Bonnie Denton, 1543 W. 214th st., whose nimble feet and musical voices are fast becoming popular as entertainers. These winsome youngsters step off their snappy dance routines and sing harmoniously with the ease and grace of professionals. Because of their pleasing personalities their performances are never tiresome and they are winning praise and admiration from the audiences for whom they have performed. Their ability is not new to the families of their immediate

neighborhood. The neighbors have often watched the children as they danced and sang together while playing. According to their mother, Mrs. Claud V. Denton, the children began dancing shortly after they learned to walk. The boy would dance and the girl follow his steps.

For the past four weeks they have been pupils of Edward T. and Martha J. Rickard, of the Three Arts Studio. The children have already appeared in three performances and because of their natural ability have won the attention of a movie talent scout who is watching their development closely. On Dec. 6 they sang and danced for the P.T.A. of Beryl Street School, Redondo Beach, at their regular Christmas program. They are also scheduled for an afternoon performance at the Spring Flower Show of the Torrance Terrace Garden Club.

Their father, a Purple Heart veteran of World War II, is commander of the Tri-Cities Chapter 63, D.A.V.

### P.T.A. MILK BOWL GAME SCHEDULED DEC. 7

The "Milk Bowl" carnival and football game scheduled for Saturday, December 7 at the Coliseum has added significance this year. Proceeds from the game will buy some grand entertainment and a load of family fun, and at the same time be helping under privileged children back to health.

Teams from all high schools in the Los Angeles area will vie for honors. Tickets will be on sale at all junior and senior high schools. The coveted bits of cardboard will be in the hands, also, of every local P.T.A. president. In Gateway Council they are obtainable at San Pedro, Dana Junior, Banning, Torrance, Narbonne, and Gardena.

### Exceptional Child's Topic For Tonight's Tenth District Meet

The "exceptional" child—the youngster who stands out as being in his own particular way exceptionally handicapped, or exceptionally talented—is surely coming into his own. No ordinary schooling his, but teaching and equipment suited to his very own needs.

Thus, for its once-a-year evening meeting from 7:30 to 10 this evening at Polytechnic high school, 400 W. Washington Blvd., Tenth District P.T.A., has chosen as its theme "Understanding Frees the Exceptional Child," as a phase of the year's theme, "Understanding—for a Better World." Everyone should find this meeting poignantly interesting, a revelation in education. Teachers attending will receive institute credit.

An exposition of the remarkable facilities offered Los Angeles' exceptional children will be presented through a symposium titled "The School's Role in the Education of the Exceptional Child," and headed by Miss Mary Frances Martin of the Los Angeles city schools. She will consider "All Types of Exceptional Children." Miss Frances Blend will tell of work with "The Blind." Mrs. Evelyn Stahler will speak on "The Deaf and Hard of Hearing." Miss Marcia Dunlap on "Crippled and Delicate Children."

Theme speaker of the evening will be Mrs. Spencer Tracy of the John Tracy Clinic for the Deaf, with her beautiful message for parents whose children might always remain "exceptional" were it not for today's advanced educational aids.

Viewing the other side of the picture, the exceptionally talented young person, the audience will be inspired through hearing Maralin Dice, P.T.A. Music Scholarship winner of 1943, sing "Rejoice Greatly" from Handel's "Messiah."

Bringing more of the spirit of Christmas to the meeting, Tenth District's Motheringers led by William C. Hartshorn, chorus director, will sing folks songs and Christmas carols.

Mrs. Joseph S. Hook, Tenth District president, will preside assisted by Mmes. Ralph E. Lewis and Marvin Owen, fourth and fifth vice presidents respectively. Greetings will be extended by Joy G. Goodsell, principal of Polytechnic high school.

### P. T. A. BOARD FETES MEMEBE AT SHOWER

The executive board of Fern Avenue P.T.A., held their regular monthly meeting on Nov. 13 in the school. At the close of the meeting the ladies adjourned to the home of Mrs. H. T. Markham, where Mrs. Earl Robinette and Mrs. Markham were co-hostesses at a surprise shower honoring Mrs. Lloyd C. Davis. Luncheon was served at beautifully appointed tables decorated in a theme suitable for the occasion. Mrs. Davis was recipient of many fine and useful gifts.

### BILL OF RIGHTS WEEK TO BE COMMEMORATED

Commemorating "Bill of Rights Week" Dec. 9 to 16—and being just plain good American citizens—every Parent-Teacher group in the entire Tenth District area will feature as a part of its December program the "Bill of Rights." This applies to local P.T.A. units, to councils and to the district itself.
