NEW ESTABLISHMENT . . . Pictured above is the front of the building which will house the new Lovelady Hardware store to be formally opened Friday morning. With all new modern fixtures, the local store will have a wide variety of hard-to-get items.

Opening Of New Hardware Store Announced

A new source of supply to the shoppers of Torrance will become available with the opening of the Lovelady Hardware store at 1965 Carson st. on Friday.

T. S. Lovelady, local merchant for the past 14 years, and his two sons Vern and Wayne, promise many hard-to-get items in their new, modern structure.

Among the many articles in the \$40,000 stock are nationally advertised brands of sporting goods, household hardware, gardening equipment, carpenter, electrician and machinist tools, power mowers, electric hedge clippers, electric home appliances such as Toast-masters, Iron-masters and Mix-masters, and a complete line of Fuller paints and paint supplies. Also while they last, more than 300 bamboo leaf rakes are in stock.

Although firearms and ammunition will be scarce for some time, the Loveladys have invited local sportsmen to inspect their extensive line of rods, reels, flies and other allied anglers equipment.
