Our favorite letter to you
We will soon have facilities to care for your telephone service. We will soon have facilities to care for your telephone service.

There will still be a delay—in some cases a long delay—before we can take care of all who want telephone service. But we are hurrying the day when our Service Representatives will again be able to promise you a telephone the day you want it.

New Working Dollars... Millions of new dollars needed to build buildings and buy new equipment to meet the public demand for more telephones and more service do not come from telephone bills. New dollars come from people who are willing to put their savings into the business. We must earn enough to attract these new working dollars.

Starts like this: "We will soon have facilities to care for your telephone service"... So far this year we were able to send out these letters to thousands of people—provide 125,000 more telephones for Western homes and businesses. But meanwhile thousands of new orders came in, which await their proper turn.

There will still be a delay—in some cases a long delay—before we can take care of all who want telephone service. But we are hurrying the day when our Service Representatives will again be able to promise you a telephone the day you want it. That's our goal... and we're working all-out to achieve it.
