

El Camino Scrimmage Sessions Will Determine Starting Team

Progress is being noted by played at Inglewood while the third candidate, Wyatt Galladay, is a lad hailing from Des Moines, Iowa, who tips the scales at 230 pounds.

At center are Bill Sauer from Redondo and Gordon Haskins from Inglewood, Clarence Witt, star quarterback on last season's Redondo squad and Bill Peters, a letterman from Santa Monica Junior college, are having a nip-and-tuck battle all the way.

At the present that is how the El Camino squad lines up. The boys with star high school ratings are many: Witt, Clifford, Contreras, Rhine and others. But who will trot the field for the opening kickoff against Ventura will be discovered after another week and a half at nard practice, said Schindler.

Amby and his assistant, Johnny Morrow, El Camino athletic director, have been trying the boys on both offense and defense in the daily sessions in an effort to name a starting team and cut the squad down from the more than 70 still at practice.

Although too early to choose the eleven men that will face Ventura Junior College in the season's opener on Sept. 26, Schindler pointed out many players who show promise of being the lineup when the El Camino men don their new gray and blue uniforms to take the field for their first season.

Amby could name a team that would have brothers playing side by side at the guard and half-back spots from the material he has out. The Ingersoll boys, George and Bob, both weighing 185 and both from Redondo, are trying out at guard. The Deher brothers from Inglewood are seeking the call at half. Joe at left and Phil at right.

The two brother combinations are meeting with plenty of competition for the starting roles. Among the potential halfbacks are Wayne Clifford and Dick Contreras, both high school stars last year, and Bill Bynum, Torrance baseball star who is trying his hand on the gridiron this fall.

The end and fullback positions seem to be fairly settled with Dick Carter and George Kessler out ahead of the field at the wings and Bob Hanna practically by himself at full.

All the other positions are still wide open with as many as five men battling for top listing on the squad. The guard spots are being contested by Hal Rhine, Jim McGee and Pete Austin as well as the Ingersolls. Rhine and Austin prepped at Redondo while McGee is a 182-pounder from Inglewood.

At tackle are three men seeking the starting call. Bob Cadoo, 185 lbs., and Lee Kazarian, 205 lbs., are the favorites.

TORRANCE HERALD

Torrance, California

Section C

TARTARS IN ACTION... Torrance High school's football team is seen scrimmaging as the practice game with Covina Sept. 26 draws closer. The gridgers, under the direction of Coach Eddie Cole, are working hard to get in top shape for the season and to determine who will be named to the starting eleven. Fullback Tom Faren hits the line for three yards in this practice session with his cousin, Frank Faren, crouched to make the tackle.

Oxnard Defeats Lion Cubs, 7-3; Drix Game Called

The Oxnard Junior Merchants softball team defeated the Torrance Lion Cubs by a 7-3 score at the Torrance city park Saturday night, the second of a two-game home and home series played by these teams this year.

The Drix Soap Products nine, Torrance City champs, were scheduled to play the feature game of the evening with the Nason Drug team, who are in the playoffs for the Oxnard title, but were disappointed as the northerners failed to put in an appearance.

Virgil Willard, winning pitcher, turned in a neat slab job, allowing but three hits and whiffing eleven Cub batsmen. Wayne Workman, visiting third sacker, starred at the plate, getting three for three including a first-inning homer.

The Lion Cubs scored all of their three runs in the first inning on one hit and some daring base running. Tom Giatras, first up, walked and advanced to third on passed balls. Jim Taylor walked and went all the way to second on the play. Bob Chambers singled to short center scoring both runners and made a bid for third on the throw to the plate. Oxnard Catcher Jim Bashore's throw to third was a trifle low, getting away from Workman, and Bob streaked for home and the third tally.

Dickie McIntosh pitched steady ball for the Lion Cubs and would have had a much lower score charged to him with a little more luck on a force play at the plate. A couple of potential double-play balls which should have retired the side, got away from the infield allowing additional runs to be scored.

This game wound up the 1947 Torrance Recreation department's softball program.

3 Local Teams Enter Inter-City Bowling League

With the opening of the winter bowling season, three local teams have entered the western division of the Inter-cities 875 Traveling league and have already rolled two matches in the 64 team group.

The Torrance B-W-I squad, sponsored and captained by "Short" Yarbrough, has won three and lost three games so far. On the league's opening night, Sunday Sept. 7, "Short" and his crew took three games from Hermosa Recreation, but last Sunday the Bowl bowlers did not fare so well, dropping three straight games to Redondo Recreation.

Bowling for this group are Yarbrough, Earl Needham, Carl Haller, Jim Faust and Chuck Newey. Needham had the high average, 194, and the high series, 582, the first week, and led the team the second week also, with a 547 series.

"Ace" Vaughn is captain of the Selma Cleaners club, which has won two and lost four games. Besides Vaughn, the team is made up of Ray Reese, Archie Carline, Wally Morris and Forrest Buckley.

Reese took the first week's honors for the Cleaners with a 198 average and 567 series, while Vaughn was high man last Sunday with a 550 series. The Selma team opened the season by taking two and dropping one to Redondo Recreation, and lost three to Morgan's Liquors last Sunday.

The Lomita Auto Parts team is the outfit that won the league crown last year and is faring the best of the three local teams with a won and lost record of four and two. Al Coast is captain of this team, which consists of Dewey Ossea, Max Coast, J. B. Wallace and Lou Deininger.

Ossea was high man on the first night out against the R. B. Dings, with a 183 average and 549 series followed closely by Captain Coast, who had an average of 181 and series of 544 for the evening.

The Auto Parts team took three games from the Redondo Eagles last Sunday.

The schedule for next Sunday has Torrance Bowl meeting Morgan's Liquors in Compton and the Selma Cleaners and Lomita Auto Parts up against Reynold's Internationals and Little Stork club, respectively, in Lynwood.

Cole Names Tentative First Team After Tartar Scrimmage Sessions

With a week and a half of spotty in its scrimmages, but this was expected with only one week of practice completed and a new coach and new style of play to get used to.

Cole has stated that he likes to win the first game because of the boosted morale which comes from victory in the opener. He considers Redondo as the team to beat in the league this year and feels that it would have been better if Torrance had opened against someone else, but at least he'll know what he has after the league opener on Oct. 3.

Coach Cole has named a tentative first string line-up after watching his boys in scrimmage. Running against the rest of the squad have been Captain Jack Hood and Dick Preston at the ends; Dom Donatoni and Bill Carstens, tackles; Dick Oefinger and Rano Sullivan, guards; and Ed Fortin, center.

Dick Ruppert has been calling the signals and throwing the passes from the quarterback spot on the first team with Bob Turner and Bill Morgan at full-halves and Tom Faren at full-back.

The first string linemen have been pushed hard for the starting spots by Doug Woolver and Al Stevenson, tackles; Bob Jones, end, and Gene Stirling, guard. Stirling, shifted from his tackle spot where he made all-city Marine first team and all-city third last year, will probably bust into the lineup after getting used to his new post.

The team has looked a little

Pick First Team At Compton After 2 Weeks Practice

After nearly two weeks of night practice, nine of Compton college's 1946 regulars appear to have fought off challenges for their first string berths—temporarily at least—from a horde of newcomers on the Tartar squad, which now numbers 137.

Coach Tay Brown has been completing his top unit in practice drills with Gene Nordyck, and John Morton, ends; Joe Cunningham and Bob Wilson, tackles; Jim Good and Bill Smith, guards; Leo Arranaga, center; Don Hickman, quarterback; Dewey Vroom, left halfback; Ken Wagner, right halfback and John Finney, fullback. All but Morton and Cunningham were regulars on last season's little Rose Bowl championship team.

Halfback Dewey Vroom gave indication of becoming the Tartars' top offensive threat for 1947 during two brief scrimmages. Coach Brown held this week. The diminutive setback romped through the defensive team for long-scoring jaunts the four times he carried the ball.

They will settle down to hard contact work next week in preparation for their opener at San Diego Navy on Saturday afternoon, Sept. 27.

Four former all-league stand-outs from Los Angeles and Redondo schools were doing their all to dislodge Vroom from his top spot. The quartette was headed by Paul Biller, who starred for Narbonne in '44. George Barich, San Pedro; John Williams, Huntington Park and Ken McCoid, South Gate, are the other three tailbacks seeking Little Dewey's spot.

Apaches Defeat Seahawks, Win Pee-Wee Crown

Needling a win in their last game of the season to prevent a first-place tie with the snappy Drix Junior team, the Apaches turned on the heat Saturday to turn back the Seahawks by an impressive 16-5 score.

Captain Danny Desmond, pitching for the winners, spaced seven hits nicely while his team mates were collecting 16 singles off W. Parnley and N. Chambers.

The Apaches went through the seven-game championship round without a loss. The second place Drix Jr. lost but one game which the "Champs" took by a one-run margin.

Members of the championship team are Danny Desmond, Richard Clark, Clifford Milam, Arthur Almeida, Donald Cucci, Eugene Davis, Edward Powell, Jackie Davis, Ronald Davis, Edward Bourne, Charles Codd and Johnnie Deere, manager.

On Friday the Woodcraft Rangers won their last game by taking a 10-8 decision from the Walteria Warriors.

ARMY TAKES BEST

Only the top 60 percent of men who apply for enlistment in the regular army can measure up to the high qualifications required, according to a War department survey.

WATCH TIRE INFLATION

Never drive with tires that are improperly inflated. To drive under-inflated tires causes rapid wear, cuts, punctures, blowouts, hard steering and an excessive use of gasoline. Over-inflation causes hard riding and strains the tire carcass. It causes fatigue of the carcass, too.

Torrance Team Losses To Auto Glass Nine, 8-5

The National Auto Glass baseball club invaded Torrance park Sunday afternoon and walked away with an 8-5 victory over Art Swartz' Torrance nine, by scoring six big tallies in the final inning off the offerings of relief hurler, Sherwin "Bud" Swartz, lean, south-paw son of Manager Art.

Swayne Johnson, Torrance policeman playing in right field smashed out a two-run homer in the seventh for the final two Torrance runs.

The Torrance club will have another game with an opponent as yet unannounced Sunday afternoon at 2:15.

ARMY TRAINING

A new army air force policy enables qualified young men to enlist in the army air force for specific technical training such as radio, radar, photography, weather observer, aviation specialists, etc.

Sport Shop

By ARNOLD YELLIN

One of the very first customers of the Sports Shop after we opened last week was Pete Zamperini, who dropped into the office last week to say hello and see how things are progressing.

Pete had just gotten back from gallivanting around in Northern California for a week. "A* One of the very first customers of the Sports Shop after we opened last week was Pete Zamperini, who dropped into the office last week to say hello and see how things are progressing.

While he was up north, he spent a few days at Yreka with John Striptees, the man who used to do his "Strippees," right in the same location as the Sports Shop.

The Yreka county fair was going on during Pete's stay there, and everybody there was required to give me a ticket for coming clean shaven," reports Pete, "but I beat the rap." Pete credited Strip with one of the "sharpest sets of beaver style chin whiskers" he had ever seen.

Pete also saw Mildred Richhart, Ray's sister, who now lives in Dunsuir, the Mount Shasta country. His visit in Dunsuir included a tour of the mountain and Shasta Spring lodge.

Bob Barr, former Torrance High coach, journeyed up north with Pete, but the boys had different destinations and Pete came back alone.

When we talked to him, Pete still hadn't made up his mind whether to accept a coaching spot at Washington High or Banning, but he picked Banning last week. Here's luck to you on your new job, Pete; everybody in Torrance will be pulling for you, unless you happen to run up against our Tartars some day.

Took in the New York Yankees and the Los Angeles Dons last week to catch a glimpse of the much-heralded Glenn Dobbs and Buddy Young. After the game, which went the wrong way for the local boys, I stepped into the dressing rooms to talk to Lowell Wagner, Yankee fullback and former Gardent High backfield star.

Wag played for Gardent from 1938 to '40 and, as he put it, "didn't do much there." Only make all-city! He played with the USC frosh and then went into service. Came V-J day, Lowell came out and signed with the Yanks. That's quite a step from any frosh team to professional ball, especially since he didn't play ball in service.

He didn't play much last week because of bruised shoulder.

Hunting Accident Wounds Harry Ramskill In Leg

Harry Ramskill, 8850 Gramercy place, received a flesh wound in his right calf when his .22 caliber revolver discharged accidentally while he was hunting recently.

An employee of the Columbia Steel Company in Torrance, Ramskill is commander of the Dr. F. H. Racer post 7 of the Legion of Guardsmen. He is recovering at home from the wound, which is not serious.

ARMY PAY HIGH

Business experts estimate the starting pay of today's career soldier as comparable to \$211.50 per month.

SKILLED INFANTRY

Today's infantry soldier is more than a man with a gun. In an infantry division more than 200 separate skills are employed.

3 New Midgets Race At C.C.

Winning rich purses at Culver City Speedway is getting to be quite an accomplishment, judging from the number of brand-new sleek midget cars entered in this Friday's speedfest at the lightning-fast Washington Blvd. oval.

At least three new little Offenhausers, rated the zenith in automotive engineering, have already made quite an impression in racing circles, while more are on the way.

First is Johnny Mantz' speedy little No. 25, owned by Ernie Casale. Arnold Krause's No. 76, with Walt Faulkner at the wheel, is another rip-snorting Office, while Bert Krause's No. 11 has capable Bob Barker at the helm.

The three cars should greatly challenge the apparent superiority of URA individual point leader, Mack Helling, who has monopolized Culver meets with 11 wins.

Two main events of 25 laps each are again slated for Friday eve's race-fest. Qualifying laps open the show at 7:00, with the first race slated for 8:00.

INSECT CONTROL

Control of insects by creating disease epidemics among them is being studied at the University of California.
