

You've got to be on the SQUARE if you are going to build . . . and that's true whether it is a house or a business. Folks who think their customers are suckers don't last long. We know that is true . . . and that is just one of the many reasons why our policy has always been ON THE SQUARE!

Winter Vacationers Tell Beauty of Yosemite Park

Christmas vacationers to Yosemite National Park and San Francisco were Miss Elaine Allsebrook, Torrance YWCA program director and Miss Elizabeth Hawkins, San Pedro YWCA young adult and program director.

The ladies left day after Christmas in Miss Allsebrook's car and were routed to Bakersfield via Mohave and Tehachapi because of the sand storms near Bakersfield. During their three days at Yosemite Park they stayed at Camp Curry and enjoyed excellent skiing at Bad-

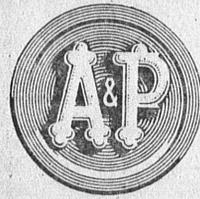

ger Pass and skating at Camp Curry. Both skated. Miss Hawkins skied. They hiked to Mirror Lake through deep snowdrifts on an unbroken trail. Roads were kept plowed, they stated, but chains on cars were advisable. Snow and icicles made the trees and buildings and mountains, pictures of winter beauty, the vacationers commented.

In San Francisco they visited Miss Allsebrook's cousin, Kenneth More and went sightseeing not only to the usual city spots but to Sausalito, Mill Valley, Tiburon and Berkeley.
