ABOUT BLUE and GOLD STAMPS . . .

Blue and Gold Stamps represent your earned discount for cash purchases made. A clear 1 1/2% saving on every purchase made. You will receive one (1) Blue and Gold Stamp for each ten (10) cent purchase; two (2) for each twenty (20) cent purchase; ten (10) stamps for each dollar purchase and so on in multiples of ten (10) for the amount of your purchases. When your stamp book is filled with Blue and Gold Stamps, it is redeemable from any merchant giving and redeeming Blue and Gold Stamps for \$1.50 in Trade, Merchandise or Service . . .
When redeeming Blue and Gold Stamps you surrender the filled book (1000 stamps) to the merchant and receive the \$1.50 merchandise bonus. There is no cost or obligation to you. Blue and Gold Stamps have nothing to do with retail prices but are the modern way for the merchant to share profits with his customers.
Tell your friends of this easy way to save and trade with the progressive merchants who offer these savings to you.
