BROWNIE TROOP COMPLETES ITS EASTER PROJECT

Members of Brownie Troop No. 1096, who have been enjoying a nature study project, this week completed this study and had moving pictures taken of their handwork by co-leader Mrs. Grace Thorpe.

Meeting at the home of Mrs. J. D. Richards on Hillcrest avenue the girls have completed painting flower pots in which they planted bulbs for Easter gifts for their parents.

Easter baskets made of plywood donated by a local cabinet shop is their newest project.

Refreshments were served at the close of the meeting.
At the previous Brownie meeting held at the home of their co-leader the girls enjoyed making and baking cookies which they later served.

A teacher asked her class the difference between "results" and "consequences."
A bright girl replied, "Results are what you expect, and consequences are what you get."
