RENOWN CHORUS... Famous Whitney Boy Chorus will sing here Sunday night at the Central Evangelical United Brethren Church.

### WHITNEY BOY SINGERS PRESENT CONCERT HERE

An overflow crowd is expected to attend a concert this Sunday evening by the world renowned Whitney Boy Singers at the Central Evangelical United Brethren Church, Arlington and Marcellina avenues.

The program will open at 7:30 p.m.

During the past 32 years this chorus, with its everchanging membership but continuous directorship, has appeared at two world fairs, one international and several national conventions, given concerts in the Hollywood Bowl and the Rose Festival of Portland, Oregon, according to the Rev. Wesley Roloff, pastor. One of the outstanding features of the concert program will be the presentation of ten-year-old Charles Booker, whose range enables him to reach C—three octaves above middle C. However, audiences are always pleased with the interesting act performed by William Williams, saw and flax-tone artist. The boys, who sing soprano, alto, tenor, and bass vary in age from 10 to 16 years.

### U and the Y

By A. WISEMAN  
(Editor's Note: Today's appearance of "U and the Y" marks the first publication of a column of YMCA activities. Additional columns will appear weekly.)

Do you have your tickets to sell for the Hollywood-Portland baseball game to be played Friday, May 28? If you sell ten you have a chance for a free trip to camp this summer. Proceeds of the game go to help improve our "Y" Camps.

Junior Hi-Y boys will have a busy day on Saturday, June 11 at the Naval Station in San Pedro. An all day affair with movies, trips aboard naval battleships and a swim in the spacious outdoor swimming pool. Sign up at the "Y" or with the club at school.

Winners for the first half of the YMCA Softball League are: Pueblo Knights in Jr.-Y Division and Greens for the Gra-Y Class.

All-star teams representing Torrance have been selected to play in a Lomita Park league. The Juniors, coached by Bud Lee have played two practice games under the lights and won by top heavy scores. Van Vanderpool and his 11-year-olds walloped Lomita, 30-0 last Friday night.

A special tribute should be paid to the volunteer leaders that coach the kids. Bud Lee, Marvin Goetsch, Walt Sharon, Ken McBreen, Melvin Miller, V. T. Vanderpool, Jack Burgen, Arthur Arndt and Sgt. Conger are doing a swell job. If you don't think our boys are well coached look at the scores when we play the same age groups out of town—Ask Van and Bud! Thanks to Reverend Cecil England, pastor of the First Christian Church, for the swell talk to "Moms and Sons" at the Mother's Day breakfast, held at the Civic Auditorium. His topic was "Religion in the Home."

Boys 12 years of age and under had an opportunity to show their skill in a new YMCA activity last Saturday at the Torrance Bowl. For a first game the scores were not bad either. Top three were Algene McLaughlin with 89, Joel Eriberg 87, and Butch Yarborough 86. Next session will be Saturday at 10 a.m., Torrance Bowl. Come on down, fellows.

The Gra-Y lads and dads will have a real treat on Monday night at the Fern avenue recreation hut when Fred Naumetz, captain of the Los Angeles

### Letters to The Editor

Editor  
Torrance Herald  
Torrance, Calif.  
Dear Sir:

I have received a copy of your May 12 issue, and note a feature article on Page 10 in connection with the Driver Safety Center Testing Equipment.

We do not particularly seek publicity, but we are extremely anxious that all persons driving on California highways be informed as to their driving weaknesses, so that they may compensate for them in their daily driving.

Publicity such as covered by you will serve to reduce accidents on our highways—our greatest killer.

We very much appreciate your support of this program.

Sincerely,  
Wade Sherrard

### 'Soul, Body' Is Theme of Scientists

"The light of the body is the eye; if therefore thine eye be single, thy whole body shall be full of light." This declaration from Matthew's Gospel will be the Golden Text of the Sunday Lesson-Sermon on "Soul and Body" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.

A Scriptural selection from Job reads, "Is not God in the height of heaven?... Acquaint now thyself with him, and be at peace; thereby good shall come unto thee. Receive, I pray thee, the law from his mouth, and lay up his words in thine heart. If thou return to the Almighty, thou shalt be built up, thou shalt put away iniquity far from thy tabernacles... For then shalt thou have thy delight in the Almighty, and shalt lift up thy face unto God."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "Christian Science brings to the body the sunlight of Truth, which invigorates and purifies. Christian Science acts as an alternative, neutralizing error with Truth... The effect of this Science is to stir the human mind to a change of base, on which it may yield to the harmony of the divine Mind."

Rams Football team will speak and show movies of some of the Rams games. Remember 7:30 p.m.—Fern Avenue Hut—Bring dad along, all free.
