

Remember—the way to really get the most fun out of kite flying is to fly them the safe way! Just observe the four simple rules:

- 1 Fly your kite in an open field, away from pole lines and overhead obstructions.
- 2 Never use wire, tinsel or metallic string.
- 3 Be sure the cord is perfectly dry.
- 4 If your kite catches in a power line, let go immediately. Don't pull! Phone the company owning the line, and a lineman will come and get your kite for you.

Bishop To Talk To Episcopal Church Members

On Sunday Feb. 29, substantially every member of the Episcopal church will hear the voice of their Presiding Bishop, the Rt. Rev. Henry Knox Sherrill, by means of radio. In Torrance the congregation of St. Andrew's church will sit in their pews and at exactly 11:32 a. m. the Presiding Bishop's voice will be heard, telling of the needs of war-devastated countries in Europe and Asia, and urging Episcopal Church members everywhere to accept their plain duty and privilege of helping these suffering millions, according to the Rev. Torben Olsen, rector. The same scene will be repeated in thousands of Episcopal churches all over the country, at exactly the same time, the Rev. Olsen said.

The Episcopal church gave more than a million dollars in 1947 through its Presiding Bishop's Fund for World Relief, and it intends to raise the same amount or more in 1948. At the Sunday service Feb. 29 the Rev. Mr. Olsen will tell his people how they may have a part in this program of aid for the distressed, through the Presiding Bishop's Fund. Then the opportunity will be given for both immediate gifts and short-time pledges. At national Church headquarters in New York City, it was stated recently that "Our 1,600,000 people in one day can raise \$1,000,000 for the Presiding Bishop's Fund for World Relief if each parish and mission will do its share."

BIDS ASKED FOR VEHICLE USE BY POST OFFICE

Proposals will be received at the office of the Torrance postmaster until 4:00 p.m. Feb. 20, 1948 for the hire of vehicles with closed bodies (screen, panel, etc.), without drivers, on an annual basis, for use in collecting, delivering and relaying mail, and for special delivery service during the year beginning April 1, 1948. One vehicle is required with a carrying capacity of body back of driver's seat of 80 cubic feet, it was said.

Carver Again Heads Goodwill Industries

At the annual meeting of the directors of Goodwill Industries of Southern California on Thursday noon, Charles E. Carver was re-elected to the presidency for the thirtieth consecutive year. Back in 1919 at the organization meeting, Mr. Carver was made president and has continued to serve in that capacity. Officers elected to serve for the coming year with Carver are Bishop James C. Baker, honorary vice president; Alfred E. Cate, first vice president; Walter C. Pfaffenberger, second vice president; W. Cloyd Snyder, secretary; Clyde M. Church, treasurer and Frederic H. Blair, executive director.

"Since more people come each day asking for jobs," said Mr. Blair, "we must have more dis-cards from Southland homes if we are to meet the increasing needs. Jobs plus the many other services rendered by Goodwill are important to the handicapped, and their ability to learn and earn saves the taxpayer many dollars."

AMBASSADOR RALLY HELD IN TORRANCE ATTRACTS THROU

The Christ Ambassador rally of the Assemblies of God held in the Civic auditorium of Torrance on Monday evening was pronounced a success by those attending.

It was reported that more than 1,100 persons were present to hear the numbers in song by the Calvary Radio Choir of Inglewood, Ralph Carmichael on his violin and Rev. C. M. Ward of Bakersfield, who spoke on the subject "Jesus Christ the Same Yesterday—Today and Forever."

Groups were represented from various sections of Southern California.

Rev. Ida W. Sande is the pastor of the local Assembly of God.

THE INSTRUCTOR DESIGNED THESE ESPECIALLY FOR MY STYLE OF SKIING!

(Released by The Associated Newspapers) 2-5-48

WHAT CAUSES SKIDDING

Rarely is it speed per se that causes an automobile to skid. Almost without exception the vehicle goes into a tangent because of too violent a change in direction or the rate at which it is traveling. As long as the

speed is uniform, it is inherent in the car's design that it will keep in a straight line. It is well to remember that too violent use of the accelerator, which changes the car's speed quite as much as use of the brakes, will also cause the vehicle to skid.

NAZARENE CHURCH OBSERVES WORLD DAY OF PRAYER

The World Day of Prayer will be observed by the local Nazarene church, 1501 W. Carson street, on Friday of this week. Several Nazarene churches are cooperating.

The Rev. Hugh E. Hines, pastor of Hermosa Nazarene church will speak in the morning session, beginning at 11:00 o'clock.

Rev. Arthur Atkins, of West Long Beach, will be the afternoon speaker, at 1:30. Mr. and Mrs. M. Regan, outgoing missionaries will be the evening speakers at 7:30.

All Christian people invited to attend these services, are asked to bring lunch, sandwiches and dessert, for the day services and hot drinks will be served by the local church, said the Rev. W. A. Penner, pastor.

We've put in 2 1/4 MILLION TELEPHONES since V-J Day

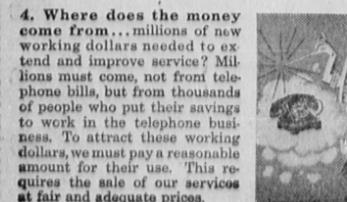

1. We had to break records... and we did. Today we're serving over one-fourth more telephones than at the war's end—a net gain of three-quarters of a million. And, since every day many customers move, we actually had to install more than two and a quarter million telephones to make this gain.

2. Complex splices like this—thousands of them—went into the two million miles of wire we've put in. And that's only part of the story—more than 200 new buildings or additions... complex new switching equipment in almost all our buildings... these and other facilities are being added in the face of sharply rising costs and tough supply problems.

3. We're still working against time. Orders continue to flood in. To fill service needs we're adding facilities at the rate of more than half a million dollars a day—every day. A huge investment, yes. But telephones have been going in as never before in the West. And as the system grows, your telephone service becomes more valuable still.

4. Where does the money come from... millions of new working dollars needed to extend and improve service? Millions must come, not from telephone bills, but from thousands of people who put their savings to work in the telephone business. To attract these working dollars, we must pay a reasonable amount for their use. This requires the sale of our services at fair and adequate prices.
