MR. AND MRS. J. G. ARNOLD NOTE 25th ANNIVERSARY WITH GALA PARTY

The silver wedding anniversary of Mr. and Mrs. Joseph G. Arnold was the occasion for a delightful party Sunday when they entertained 25 Torrance and out-of-town friends during the afternoon and evening at their home, 1551 Post avenue. Guests, who were from Los Angeles, Long Beach, Compton and Torrance, were entertained with amateur motion pictures during the afternoon and following a buffet dinner games furnished the evening diversion. An arrangement of 25 American Beauty roses, a gift from their daughter Miss Eva Jo Arnold, formed a beautiful centerpiece for the attractively appointed buffet table. An appropriately decorated anniversary cake was cut by the celebrants. Many beautiful gifts and congratulatory messages were received by the couple.

Mr. and Mrs. Arnold, who were married in Casper, Wyoming, shared their anniversary festivities with Mr. and Mrs. H. T. Green of this city, whose marriage also was solemnized in Casper 25 years ago. Both families have been closely associated throughout the years with the men's interests centering around the automobile.

PHILHARMONIC MEMBERSHIPS REOPEN AGAIN

Plans were completed at a meeting of the Board of Directors of the San Pedro Philharmonic and Artists' Association held at the home of the president, Mrs. Robert E. Carson, 1313 Silivius avenue, San Pedro, for the fourth annual membership campaign dinner to be held Monday at 6:45 p.m. May 3, at the San Pedro Woman's club house. Former and new volunteer workers, members of service clubs and organizations are invited to attend. Workers kits containing membership application blanks and lists of last year's subscribers will be distributed that evening or may be obtained earlier from the secretary, Mrs. Elmer L. Higgs, in order that progress reports on the campaign may be made.

By popular request, the membership fee this year is being returned to \$5.00, plus \$1.00 Federal tax, enabling complete families to attend concerts. A minimum of three will be scheduled, with an additional one included when the membership quota is reached. Interest shown and applications already received indicate a rapid sellout of the 1200 seating capacity of San Pedro High School auditorium.

Plans were made for a dividend concert on May 7 when the Royal Rogues, five male singers in Robinhood costume, will present a program of light opera selections. Membership cards will be required at the door. The Royal Rogues have recently sung with the San Francisco Light Opera Co.

entered in their positions with the Chicago Bridge and Iron Co. Dr. Jenkins showed beautiful colored slides of various spots of interest in the countries of Europe she visited recently and gave an interesting commentary during the showing. Patricia Clerc entertained with two beautiful solos, "Consolation" (Liszt) and "Concert Etude" (MacDowell).

VANDERLIPS TO ENTERTAIN NORWAY CHORUS

Prefacing their appearance in Philharmonic auditorium the following evening, the ladies of the Norway University Chorus, now on a concert tour of the United States, will be guests of Mr. and Mrs. Kvelin C. Vanderlip at a reception given in their honor in the Vanderlip Portuguese Bend home, Rancho Palos Verdes, this afternoon. The 70 members of the chorus, which was founded 52 years ago as an activity of the university of Oslo, were selected for the American tour from an active membership of 200 singers. Following the liberation of Norway from Nazi occupation in 1945 the chorus took part in the reopening of the Norwegian National Theater, with the royal family in attendance.

Crown Princess Martha is sponsoring the tour of the chorus, the soloist of which is Gunnov Niela. An impressive number of friends of the Vanderlips who are interested in the musical world have been invited to the reception, which begins at 4:30 p.m. Among them are Joseph and Mirandna Marais, South African folk song singers, who plan to compliment the Norwegian visitors with a serenade.

Mrs. Selover Is Hostess To Group At Evening Party

Origin, Significance Of Mother's Day Is Outlined

Mother's Day will be observed, and authorizing Federal display on Sunday, May 9, as a national expression of love and reverence for the mothers of the nation. Only two countries—the United States and Canada—set aside a day annually to honor mother. And although our Mother's Day is officially only 34 years old, it stems from a tradition of homage to mothers that stretches back into the dim past.

Centuries before Christ, mothers were held in awe and reverence by Chinese families. The ancient Romans celebrated an annual festival in honor of Hilaria, the Mother-Goddess. More than 1,000 years ago, the Nahuatl Indians of Mexico were holding flower festivals for the Earth Mother Goddess, Chicomehuatl.

Seventeenth Century England developed the custom of "going a-mothering." Boy and girl apprentices were allowed to spend "Mothering Sunday" with their families. They often brought cakes and plum puddings as gifts.

Our American Mother's Day is credited to Miss Anna M. Jarvis, a Sunday School teacher. In 1908 she held a memorial church service for her mother at the Andrews Methodist Church in Grafton, West Virginia.

The idea spread first to Philadelphia and then caught on nationally. President Wilson in 1914 signed a Congressional Resolution setting aside the second Sunday in May as Mother's Day.

AT JAMIESON HOME Mrs. Katherine P. Reswick, of Pittsburgh, Pa., is visiting at the home of Col. and Mrs. N. F. Jamieson, 1804 Gramercy ave. Mrs. Reswick will remain here until May 15 when she plans to resume her trip throughout the United States in the interest of articles which she is writing for various trade magazines.
