**Uniform Rest
Home Law Is
Being Sought**

Torrance and the other 44 cities of Los Angeles county will be asked to join with the County Supervisors in adopting a uniform ordinance that will eliminate abuses in certain private rest homes and nurseries caring for the aged, the mentally ill and for children, it was learned yesterday.

Operators of many rest homes cooperated with state, county and city authorities in drafting an amendment to the existing ordinance, which will provide severe penalties for persons and establishments not conforming with humane and sanitary rules.

Removal of differences in regulations in the various cities would eliminate "confusion and handicaps" confronting enforcing agencies.

**Rev. Roloff Is
Reassigned to
Local Church**

Rev. H. Wesley Roloff, pastor of the Central Evangelical United Brethren Church, has been assigned to the Torrance Church for the ninth consecutive term. The action was taken in the closing period of the 65th Annual Conference of the Church, held in Sacramento last week.

The appointments were read by Dr. C. H. Stauffacher, Bishop of the South-western Area of the Church.

The Conference Superintendent, Rev. E. W. Matz; and former pastor of the local church, was re-elected to succeed himself for a four-year term. He was elected on the first ballot cast with a large majority.

Appointed as delegate to the General Church meetings to be held at Oakwood Park, Lake Wawasee, Ind., July 14 to 22, Rev. Mr. Roloff will represent the California Conference (EV) in the fields of Christian Education, Missions, Youth Fellowship and Evangelism. Last year Rev. Roloff represented the church in the field of Evangelism at the Linwood Park, Ohio, Conference.

**Huge Seaplane

Howard Hughes is completing plans for the second test flight of the world's largest airplane, now being readied in Long Beach Harbor. Hughes will take the big ship into the air sometime this month.

It is being prepared for a mooring in the outer harbor, its hull has been painted white and a metal hangar is being constructed to replace the temporary canvas covered shed that has sheltered the ship for the last year.

LAST MONTH IN ADVANCE

Collection of the last month's rent in advance is permitted on leases covering housing accommodations leased in accordance with the Federal Rent Control Law. Heretofore, it was unlawful to collect more than one month's rent in advance.

**Trailer Camp
Permit Waits**

Further inspection of the proposed trailer camp site on property owned by L. E. Morton on 182nd street in North Torrance will be made before City Council approval is given, it was decided at Tuesday night's Council session.

The location is adjacent to a dairy, and denial of the permit was moved by councilman Drale, but the motion lost for the want of a second.

"It seems to me that Morton is taking all the chance," said Councilman Robert Haggard. His motion, that the council take it under advisement and all go see it again, carried.
