OFFICIALLY OPENED—This is the cold reduction mill at Columbia Steel Company's new Pittsburg, Calif., sheet and tin plate mill, which is being officially opened today in the presence of government, state, city and company officials, including a delegation from Torrance. Machinery in this cold-reduction unit weighs 3500 tons, and is but a small part of the new plant of U. S. Steel's western subsidiary. Mill consists of five successive stands through which long lengths of steel are rolled continuously to thinner gauges.

Donations of Blood Sought to Repay Loan

Donation of two quarts of blood to the Red Cross is being sought to repay a "loan" made this week to a patient at Torrance Memorial Hospital who was in serious need of whole blood.

Local hospital officials said they were informed that the traveling blood bank would be at Wilmington next Monday, Oct. 25, from 2 to 6 p.m., at the Bana Housing Project, 401 Hawaiian avenue.

The Los Angeles area headquarters office is located at 925 South Western avenue.

Membership Drive Begins

(Continued from Page 1-A)

Membership drive lasts only one week. It is felt that music students and the members of the music departments of El Camino and Palos Verdes colleges will be interested in this year's series and they were being solicited this week.

One of the outstanding features of the Columbia Concert Series is the "reciprocity" arrangement, under which anyone holding tickets to the Torrance series may also attend—without any extra charge whatsoever—any or all of the series they may wish in other nearby cities where the concerts are booked.

Schedule of the concerts in seven other communities within easy driving distance of Torrance was released this week by Mrs. Blackburn.

Downey: Columbia Concert Trio, Nov. 3; John Tyres, Jan. 30; Bartlett and Robertson, duo piano team, April 14.

Excelsior High School: Columbia Concert Trio, Nov. 4; Appleton and Field, Feb. 22; Jane Hobson, March 24.

Fullerton: Mildred Dilling, billed as the queen of all harpists, Nov. 26; Jennie Tourel, Dec. 3; Sonoma, Feb. 25; Draper and Adler, April 11.

Santa Ana: Jorge Bolet, Cuban pianist, Nov. 3; Grauden ensemble, Jan. 27; St. Louis Sinfonietta, Feb. 3; De Paur Infantry Chorus, March 7.

Huntington Beach: Columbia Concert Trio, Nov. 6; John Tyres, Jan. 28; Appleton and Field, duo piano team, Feb. 18.

Monrovia: Izar Gorin, famous baritone, Dec. 3; Sonoma, Feb. 25; De Paur Infantry Chorus, March 2; John Sebastian, harmonica artist, March 10.

Corona: Columbia Concert Trio, Nov. 7 (Sunday); David Lloyd, tenor, March 18; Bartlett and Robertson, duo piano team, April 29.
