

### Birthday Is Noted

Honoring her husband on the occasion of his birthday anniversary, Mrs. Homer Schooley entertained with a surprise party recently at the family home, 2517 El Dorado avenue.

Following an evening of appropriate games a candlelighted birthday cake was served at a buffet table lovely with colorful chrysanthemums. Yellow and brown created an effective color theme for party appointments.

Guests included Messrs. and Mrs. M. D. Schooley, Fred Brownell, Robert Schooley, Lewis Lutes, James Fuhrer and Jimmie, Mesdames Martha Riggie, Richard Bauman and Patricia, Misses Maxine and Marlene Schooley and Elmer Schooley.

### Walteria PTA

By GENEVIEVE SIMPSON

Today's meeting of the Walteria P.T.A. at 2:30 o'clock will feature a talk by Mrs. Neal Stevenson on "The School Helps Us Build." A large number of mothers is expected to greet Mrs. Stevenson, who is elementary extension chairman of the First District. The Mothersing-ers and Mrs. Marie French, vocalist, will provide music for the meeting.

Net proceeds from the Halloween Carnival amounted to \$410.25, and more than 500 persons attended the affair. Although the hard work and worry of so large an undertaking was reviewed, the feeling of satisfaction over its success permeated the meeting.

Principal D. B. Kirk asked for the assistance of local dentists in the care of the children's teeth. Many families cannot afford dental care, and the free clinics do nothing but extractions. A call goes out to those who will help. Mr. Kirk's business phone is Fr 7293.

Mrs. C. W. Larkin was chosen for the office of courtesy chairman.

Youth coordination plans were presented as suggested by Jack Rouman in the child guidance class of Torrancia Adult Education department.

### Walteria School Notes

There was a report that many jackets, sweaters and other articles of apparel are unclaimed in the school office. Check your child's wardrobe, they might belong to you.

Mrs. Fannie Beasley and Mrs. Fern Springer, teachers of the morning kindergarten session and the first grade, respectively, have united their efforts to create a rhythm band. Musical instruments so far include a drum, sticks, tambourines, triangles, gongs, castanets, wood blocks, together with the piano played by Mrs. Springer.

All children, regardless of ability, are given equal opportunity of participation with all instruments. The school program is carried out by teaching each child to sing on key, by good enunciation and pronunciation and by coordination of the acting out of the songs, such as "Farmer in the Dell."

Each child is taught names of instruments, how to play them, how a band is formed, how to listen for the special music for which his instrument is played, and how to act out the motions required for the words of the song.
