

Fathers Are Entertained at Halldale Evening Meet

Approximately 135 parents attended the Halldale P.T.A. evening meeting Thursday, over half of them fathers. William Roberts led the pledge of allegiance to the flag. Mrs. H. T. Seeman, president, conducted a short business meeting. Two art hills will be purchased and used as the P.T.A. member attendance awards. Halldale will reimburse 10th District for milk and lunches provided children belonging to the school district. Mrs. Amanda Bonwell, Halldale principal, greeted the parents and spoke briefly. Teachers were introduced.

Mrs. E. R. Walker, president of Lomita-San Pedro Council, announced the annual Milk Bowl game to be held Saturday, Nov. 27 at the Coliseum, Los Angeles. Mrs. E. M. Bernardin, program chairman, introduced the speaker, Mrs. J. J. Millard, harbor area regional director. Her topic was a history of P.T.A. from its origin in 1897 down to the present day. Its aims and methods were clearly defined, bringing out the many worthwhile activities and benefits derived by the efforts of the members.

Much merriment greeted the appearance of the very popular Spike Jane's Community Band of the Harbor Area. Their rendition of several favorite songs was enthusiastically applauded. Halldale members were pleasantly surprised to see Mrs. A. C. Ackerson, Barton Hill P.T.A. president, as one of the participants. An enjoyable social hour followed with two fathers, Messrs. H. T. Seeman and J. A. Moeller presiding at the colorful tables. Delicious refreshments were served by the 5th grade room mothers. Responsible for table decorations were Mrs. V. W. Wiese, hospitality chairman; William Roberts, refreshment chairman; and Oliver Evans, room mothers chairman. Hostesses for the evening were Messames Barrett, Phillips, Bechitt, Cullinan, Tapia, Sullivan, Shiola, Holloway, Davies, Provost, Foster Klienhaus, Gents, Rentmeister, Myers, Kohl and Martin. Mrs. Conner's 5th grade room won first prize in percentage of parents attending. Mrs. Quayle's B-3 room was second and Mrs. Moeller's B-5-A-5 room was third.

Seaside... Ranchos

MRS. HELEN CARLTON

A special session of the Seaside Ranchos Home Owners Association will be held Thursday evening, Nov. 25, as a result of heated discussion on zoning and taxation that drew a capacity crowd to the meeting room at the Riviera Beach Club last Thursday evening at the regular November meeting of the Home Owners group. With this district's city councilman, George Powell, in attendance, the legal and civic betterment committee headed by Tom McNary and Paul Barth presented all available information on the zoning and taxation topics to aroused Seaside Ranchos home owners.

At the instigation of President Byron Johnson, the group voted to form special committees to continue investigation on the two matters and make a full report at this week's meeting. The special committee headed by Harvey Spellman, along with Tom McNary, James Hall, John Kenny and other members of the association who are veterans, will report on the taxation problem. A committee of members from each street has circulated a petition to all home owners during the week concerning the appeal for zoning and tightened building restriction measures.

Telephones were welcomed in Seaside Ranchos homes last week, following a year-long wait for this essential service in the tract. Now no longer isolated by lack of an adequate communication system, Seaside residents will now be able to take a more active part in civic and community affairs. Plans are being made to compile a local telephone list for the convenience of the tract residents.

Two new babies are now in their Seaside homes following their births this past week in Torrance and Los Angeles hospitals. Little Glenda Ruth Hall, 6-pound, 12-ounce daughter of Mr. and Mrs. James Hall of Sharynne lane, is now home with her mother and father and older brother, 2½, after her birth at Torrance Memorial hospital No. 13. Mrs. Lola R. Hall, grandmother of the new baby, returned Saturday to her home in Los Angeles after a two-week visit.

Junior Woman's Club Reports Many Plans

work was Miss Allsebrook's topic for discussion. Saturday evening, Nov. 27, has been set for a ranch party at Higgins Brick patio. The annual affair will include club members, their husbands and friends. The informal party will feature dancing, and cottons and jeans will be worn by the group.

Mrs. B. R. Rusk's home was the meeting place for the arts and crafts section, with many new members present. Ceramic work will be added to the projects now under way, it was learned.

With the campaign coming up, it is interesting to recall that Martin Van Buren was defeated one time by a barrage of charges that included one to the effect that he "took frequent baths." Furthermore, they proved it on him.—Clarksville Chronicle.
