

Mr. and Mrs. Fred Fischer entertained at dinner Sunday evening for Mr. and Mrs. Edward Hill of Riverside.

### SHRINERS' AUXILIARY

Representing Torrance at Wednesday evening's meeting of the Shriner's Auxiliary to the Jesterettes, Auxiliary to the Shrine, were Mesdames Amanda Law, Ethel Bremner and Violet Lock. Vivian Cook, also a member, was unable to attend because of illness.

The meeting was held in the Bel-Air home of Mrs. Alice Wygant, with Mildred Baum of Santa Monica presiding at the business meeting. A stork shower for one of the members will feature the next meeting.

### Party Plans Halloween Announced

Dr. Etta Woods presided at Chicopee Council No. 267, Degree of Pocahontas Tuesday night in the absence of Mrs. Vera Hampton who is ill. Plans were made for Halloween party at California Hall October 25 in conjunction with

members of the Mohawk Tribe, Improved Order of the Redmen, and their guests. Dr. Wood gave an interesting report of the Southern California general committee meeting held recently in San Diego. Refreshments followed with Opal Hat-

zenbuhler, Monte Gillies, Ethel Neathery and Martha Filkotch in charge.

"What is righteous indignation?" a child was asked, and answered, "Being angry and not swearing." —E. J. Hardy

### Seaside . . . . . Ranchos

By Mrs. Evelyn Hyder

Our column this week seems to be composed of news of our youth groups. I am especially interested in this particular phase of community service so I could possibly write a page every week on this subject; however I will try to give all our groups' publicity if they will keep me informed. If the news seems overbalanced with Girl Scout news, it is because I have first hand knowledge of all meetings and classes, etc.

For instance, Monday evening all Girl Scout and Brownie leaders, mothers and committee members in the Southwest Torrance neighborhood met at WALTERIA recreation hall for their bi-monthly meeting. Your reporter, as neighborhood chairman, introduced the speaker of the evening, Mrs. Frank Church, sectional chairman, who explained the council's neighborhood plan for closer relationship and answered many pertinent questions regarding the two newly formed senior troops. Much enthusiasm was shown by the new adult members and potential leaders of the two Brownie and intermediate troops.

Plans for a neighborhood project of adopting families were discussed and examples given. The troops will be given the ages of the children in the families and will help with clothing problems, toys, etc. The adults will help in other ways.

Field Director Mrs. Olive Dickson, and District Chairman Mrs. Grace Wright were present and helped by answering many questions.

A Brownie training class was planned and all adults interested in helping in any way may attend these classes. The first class will be held in WALTERIA Recreation Hall Friday October 28 at ten p.m. Brownie mothers are urged to attend this first meeting to learn how they can help. For information about transportation please call me at RRontier 43722.

Mrs. Francis Jansen was honored by the Neighborhood club with a World Friendship pin and was presented with a lovely gift to show appreciation for her five years of service as first Brownie leader, then an intermediate leader and finally a senior troop advisor in WALTERIA. Those attending from Seaside Ranchos were Mmes. Lois Greenwood, William Cauty, Bea Merola, Ruth Hanover, Mildred Arndt, Dorothy Johnson, Winnie Mewborn, Margaret Roettger.

It is noticeable that there is a definite need for a meeting place for both our Brownie and intermediate troops. Private homes and even schools are not the best places in which to hold recreation center. There will be much in demand for all our youth organizations in Seaside Ranchos. Our girls have offered to help in any way they can to expedite such a project.

Friday afternoon a meeting of Brownie Mothers was held in the home of Mrs. Margaret Jeffrey. This meeting was called in order to find people who might be interested in working with Brownies, either as committee members or leaders. Among those who offered to help or take some training were Bud Mewborn and Mmes. Margaret

Roettger, Al Wheeler, and Fred Knouse. Others present were, Mmes. Dorothy Johnson, troop co-leader H. G. Miller, Carlson, and Don Hall.

All of Seaside Ranchos was lit up last Friday night for the first time with our new street lights glowing every 250 feet.

We are certainly sorry to hear about our neighbor, William Russell, Doris Way. We understand he is confined to Fitzsimons General Hospital in Denver, Colo., and will be there for many months. He is a staff sergeant with the U.S. Air Force, and Mrs. Russell is trying to lease their home so that she can take her two children, Vonille and Richard with her to be near Bill in Denver. I'll bet he would appreciate cards and letters as he is unable to do anything but read a little.

Philip Mahaffey celebrated his ninth birthday recently with a party. Among those enjoying the games and ice cream and cake were Richard Honzig, and Johnny and Alice Mewborn.

There was a good turnout for bowling last Friday evening. Mary Conover is certainly to be complimented on such a successful undertaking. She has worked hard and with such grand results.

Don't forget your Community Chest. Mrs. Lois Greenwood and Mrs. Isabel Gaul have volunteered to work here in Seaside Ranchos so let's have 100 per cent. It doesn't have to be much —every little bit will help.

The William Shockeyes wound up their three weeks vacation by spending the weekend at Big Bear. They covered a lot of ground in the last few weeks. San Diego, Grand Canyon, San Francisco, etc.

Our Senior Girl Scout troop is going to take orders for Christmas trees this year. Being a new troop they will need our cooperation and so if you are planning on having a tree-keep them in mind. They will be around to see you.

It is so convenient having a store right in our own community. Many outsiders have commented on its nice appearance and neatness.

Our Mothers club is selling Christmas cards and wrappings. They have some on hand and will order name cards for you.

The last five weeks Mrs. Mildred Arndt and I have attended a series of training classes for our Camper's license. This last Friday and Saturday, we went with our class to Camp Archie Shields for our overnight training.

All five of the lessons were very interesting as we cooked our meals out each Friday, we had some craft training and instruction in buying food for large groups, safety precautions, planning a campout for a week, nature walks, etc.

We arrived at camp at 11 a.m. Friday, had lunch and took a long hike in the afternoon. The evening program consisted of a campfire during which a guest speaker discussed the "Romance of the Stars."
