A&P's BIG Values Will Make a BIG Difference in Your Total Food Bill!

### Customers' Corner

Is it wrong for us to give you more good food for your money?  
Is it wrong for you to shop at our stores if by so doing you will make our business grow?  
Apparently the anti-trust lawyers, who are trying to put A&P out of business, think so. Apparently the American people don't agree with the anti-trust lawyers, for many, many thousands of them are writing and saying:  
"We like A&P and we don't want them put out of business."

Buy all your foods at A&P for a full week. Then compare your total food bill with what you've been paying. You'll get a surprise that will open your eyes and prove to you that A&P hasn't forgotten its founders' formula: "Give the people the most good food you can for their money!"
