Junior High School for Lomita Urged by PTA

A pumpkin face surrounded by an arrangement of colorful fruit graced the tea-tables and bronze and yellow chrysanthemums were placed attractively on the piano in the Orange Street School auditorium for the October meeting of the PTA.

The "get-acquainted" meeting, highlighted by the introduction of teachers by Miss Frances Dastarc, principal, featured a program presented by the various youth groups sponsored by the PTA, with special tribute paid the groups, their leaders and parents.

Directed by Mrs. Robert P. Kellogg, presiding, the group voted to stand behind the efforts now being made to secure a junior high school in Lomita. A committee, consisting of Misses W. M. Schildmeyer, D. O. Jones and J. J. Harris, was appointed to further work for the junior high school.

A profit of \$328.35 was reported gained from the recent carnival held at the school, with another money-making fete set for November 2 at the home of Mrs. J. B. Flagg, 25817 Lucille street. Proceeds from the breakfast, slated from 9 a.m. to 12 noon, will be used to purchase

several needed items for the tea tables.

Mrs. Gertrude Nordgren's B2, A2 class was leading in the membership drive contest, it was reported by Mrs. D. O. Jones, membership chairman.

The youth groups participating in the group's outstanding program included Brownie Troop 776, Girl Scout Troop 634, Brownie Troop-1096 and Cub Pack 115C.

Mrs. Celia Pons, property owner at 1610 Cabrillo avenue, returned recently from three months tour of Europe. She also visited Palestine where she spent some time with her brother-in-law and sister, Dr. and Mrs. Cevia Fich. En route, she was a house guest of her brother, Sam Goren, of Boston.

CANASTA PARTY IS SCHEDULED

St. Cecilia's Guild of St. Andrew's Episcopal Church will sponsor another canasta party Wednesday evening, November 2, at 8 o'clock in Parish House, 1432 Engracia avenue.

During the evening the hostesses, Mrs. Ralph Davis and Mrs. Lester Bubar, will serve refreshments.

Everyone is invited. Tickets at 35 cents each may be purchased at the door.

TO NEW HOME

Mr. and Mrs. Earl R. Weber and son Daniel, of 1406 Hickory avenue left this week for the Pacific Northwest where he has taken a position as a chemical engineer.

Formerly employed as assistant division engineer of the Dicalite Division of Great Lakes Carbon Corp., he served on the board of Industrial Management Club. Mrs. Weber was active in Catholic Daughters and other Catholic organizations.
