**Blue Print Reading Class Offers Wide Interest Subjects**

A free, adult class in Blueprint Reading and Engineering Drawing now being held at the Torrance School of Adult Education lists the following subjects of wide interest: fastening devices used in industry, correct methods of dimensioning, use of slide rule, section views, auxiliary views, orthographic 3 view projection, detail drawings, assembly drawings, developments and intersections.

The course is held on Thursday night from 7-9:30 p. m. Students are asked to go directly to room 405 to register or telephone Torrance 645 for further information.

**CAMINO STUDENT HONORED**  
Charles Culver, president of the associated men students at El Camino College, was elected state vice-president of the AMA at the annual meeting held in conjunction with the California Junior College Student Government Conference held in Arrow Springs last weekend.

**Good Neighbor Miss to Greet Breakfasters**

Marlene "Bunky" Quaggin, a Torrance High School graduate last year, was picked this week as "Miss Good Neighbor" and will greet the many hundreds of persons who have signified they will attend the "Good Neighbor Breakfast" next Saturday.

The entire city has been invited to the three-hour affair to be staged in the Civic Auditorium Saturday, November 12 from 7-10 a. m., according to "Chief Cook" and Bottle Washer" Robert I. Plomert, Jr., promotion chairman.

Intended to create goodwill among the peoples of Torrance, the affair is backed by the YMCA and has been given the endorsement of nearly every organization in the city. As an added inducement many local merchants have donated prizes to be given away during the "eat with your neighbor" affair.

Free bus transportation for residents within the city has been extended by the Torrance Municipal Bus Lines to encourage persons to attend the breakfast.

In charge of arrangements are Bill Tolson, Sr., Al Turner, Gil Derouin, W. E. Bowen, and A. L. Jackson.

Serving on the promotion committee of the YMCA are Bob Plomert, Jr., chairman, and Sam Levy, Paul Diamond, and Herb Cohn as committeemen.

John Steinbaugh and Dr. Rollin Smith head the entertainment committee.

Members of the Hi-Y boys club and Tri-Y girls club will serve breakfast.
