**LAST WEEK** the following information was omitted concerning our coming school bond election; the declining rate of cost for retirement of school bonds. While the rate of tax for the first year was listed, the tax rate for the second year was not given. To put it briefly, if the coming bond issue is approved the additional cost will be approximately \$0.10 per \$100 assessed valuation for only one year, after which time, it would revert to its present rate and gradually decrease each year thereafter until the bond issue is completely retired. In summation it may be pointed out that if the school bond issue is approved, Torrance plans to have three new elementary schools and one new high school, plus our present high school being modernized, for the additional cost of approximately two dollars to each home owner.

**KEEP WATCHING** for your notice about our next meeting. When arrangements for it are completed you are to be notified of time and place.

NOTICE FOR BIDS ON SCHOOL SUPPLIES, EQUIPMENT AND REPAIRS

Notice is hereby given that the Board of Education of the Torrance Unified School District, Los Angeles County will receive bids for furnishing certain school supplies, equipment and repairs as per list and specifications on file in the office of the Business Manager, 2528 Flamingo Avenue, Torrance, California.

Each bid must be submitted on a printed form furnished by the Board of Education, must be sealed and filed in the Business Manager's office on or before Friday, March 3, 1950, not later than 10:00 a.m. Bids opened in public at that time and place and each bid aggregating \$1,000 or over must be accompanied by a certified cashier's check for not less than 5% of the total amount of the bid; provided that if only certain items of a bid are accepted, the bidder may thereupon substitute a certified cashier's check for 5% of the aggregate amount of the accepted items on his bid; and providing further that firms doing business regularly with the Board of Education may, at the discretion of the Business Manager and in lieu of the above mentioned check, file with the Business Manager of the Torrance Unified School District, an annual or continuing surety company's bond in the sum not less than \$5,000.00 to insure compliance with the terms of their signed bids submitted from time to time during the life of the bond.

The above mentioned check or bidder's bond shall be given as a guarantee that the bidder will comply with the terms of his signed bid; and if the successful bidder fails thus to comply with the terms of his signed bid, after acceptance thereof by the Board, his check or bond will be declared forfeited.

Other conditions being equal, preference will be given to the products of the State of California.

The Board reserves the right to reject any and all bids or any part of a bid, and to waive any informality in the bids received.
