

David, Benton and Susan, who will join Mrs. McNary's sister, Miss Gertrude Hays in her Pasadena home.

By Mrs. Evelyn Hyder

Credit goes to Helen Carlor for compiling all this information about our many social activities this week. I have been very busy getting myself and my family ready for our trip to the mountains. We are going with our Girl Scout Troop, 23 of them. Mrs. Mildred Arndt and Dorothy Johnson are also going with us. It should prove to be loads of fun. But more about that next week.

It's a busy social week in the ranchos with birthdays combining with family get-togethers and Easter weekend plans.

A pin-the-egg-in-the-basket game will help carry out the Easter motif at a Saturday afternoon party of Deane Teach when he celebrates his sixth birthday; while an Easter egg hunt Sunday afternoon for all her little neighbors will mark Leslie Pomeroy's fourth birthday.

The Harold Teach home on Sharynne Lane will be the scene of a combined Easter birthday party for 6-year-old Deane, when playmates gather to hold him celebrate. Older sister Gretchen will assist Mrs. Teach in serving the traditional birthday refreshments to young guests Paul Kasper, Bobby, and Junior Mahaffey, Steve Sachs, Nancy Drumright, Peggy White, Jimmy Hall, Buddy and Diane Witney, Bernice and Pete Venable, Paula and Johnny Frazer, Wally Daniels and Bobby Hanover.

Small fry will gather at the Jack Pomeroy home on Linda Drive Sunday afternoon to hunt the elusive egg hidden by that old Easter bunny. It will be an early celebration of Leslie Pomeroy's fourth birthday which falls on Monday. Birthday cake and ice cream will climax the big hunt for Leslie's little friends. Invited hunters are Penny Perkins, Robert and Rickie Mease, Dana and Karen Fay, Jay Kirby, Linda Wankle, Penny Hopkins, Rocky Jenkins, David Rosenberger, Stephan and Michael Cole, Douglas and Stephan Stohman, John Stanley, Heidi and Wendy Schmitz and Bonnie and Ronnie Johnson.

Easter week vacationers include Miss Nancy Drumwright, 5-year-old daughter of Mr. and Mrs. Sam Drumwright, who is spending several days visiting her grandparents, Mr. and Mrs. E. C. Cheatham, in Long Beach. Also visiting relatives in Long Beach during the week are Marita and George Morris, children of Mr. and Mrs. Bill Morris, who are staying with their mother's sister and family, the George L. McCabes of that city. Mr. and Mrs. Edmund Spies and sons, Gary and Alan, and Mr. Robert Spies, all of Doris Way, are planning a family reunion with Robert and Edmund's mother, Mrs. May Spies, at her home in Ontario, on Easter week.

Mr. and Mrs. R. T. Lawrence have just returned from a four-day automobile trip to Hawthorne, Nevada, for a short visit with a boyhood friend of Dick's, Hanky B. Jobe, a former TWA navigator. While there, they went through Jobe's gold mine—a real producing one!

Mrs. Carl Carlson has just returned from a six-week stay in Minneapolis, Minn., where she was called by the illness of her father, Mr. Claude Fleet of that city. Highlights of her trip include 18 below zero weather, an airplane crash a few blocks from her parents' home, and a short visit with her sister, Mrs. Raymond W. Carlson, who left her

and young son, Timmy, of up-per Sharynne Lane, have just returned from a month's visit with Hall's parents in Denair, California. While Hall, a pilot by profession, turned farmer for the month, Mrs. Hall also visited former stewardess friends in Salt Lake City.

Mr. Daniel Sweeney, father of friends Mr. and Mrs. Paul Greenhaw of Loyola. They had turned from a week's visit with old-time friends in Fresno.

A short afternoon's fishing with no luck, at Lake Wolford, near Escondido, rounded out a Sunday drive to Tia Juana for Mr. and Mrs. Derby Rosenberger and young son David, and planned on fishing out of Rod-

riguez Dam, five miles south of the Mexican tourist town, but were unable to get accommodations.

We are glad to hear that Mrs. Wilson, Mary Conover's mother, is getting along fine. But sorry to hear she will be in the hospital a few more weeks.
