

NEW DRIVE-IN THEATRE GALA OPENING TONIGHT

Bringing new and luxurious entertainment facilities to the Harbor area, the Harbor Drive-In Theatre, 2344 South Vermont avenue, will have its gala grand opening tonight, Thursday April 20.

The new Harbor Drive-In Theatre, situated on Vermont avenue at Sepulveda boulevard, brings needed entertainment service to the entire Harbor area, according to Edwin B. Feys, manager. Assuring Harbor community patrons of the best in film selections and the finest traditional picnic fare from the beautifully appointed Snack Bar, the Harbor Drive-In Theatre is a place of family entertainment. "The place to take the family." The price policy has been established with a view to enabling every family to enjoy many more shows here. Children under 12 are admitted free under the theatre's policy. Scientifically designed parking ramps with ample room for each car provide perfect visibility of the large screen from any part of the great amphitheatre. Modern individual car speakers giving perfect tone fidelity, with volume control adjustable to the listener's preference, will make for complete enjoyment of America's finest films.

A well-marked center aisle leads directly to the snack bar and rest rooms, which are centrally located and easily reached from any part of the theater. Hundreds of individual speaker post lights diffuse a soft glow over the entire theater.
