

Banning Principal Named Community Chest Chairman

The Harbor Area in the fall Community Chest campaign will have as its chairman, Noble Waite, principal of Wilmington's Banning High School, it is announced by Lloyd L. Austin, chairman of the Chest's Department of Associated Cities.

Waite succeeds Sam Levy of Torrance, who as area chairman in the 1950 Red Feather campaign, directed volunteers who raised 97 per cent of their \$108,100 goal for funds to support the Chest's 160 health and welfare services and the USO.

More than 2800 volunteers will be needed to raise funds during the Red Feather appeal, October 16-November 15, in Torrance, Lomita, Gardena, Rolling Hills, Palos Verdes, San Pedro, Wilmington, Harbor City and Dominguez. Each community's campaign will be directed by a local chairman with the cooperation of local volunteers.

Waite said that emphasis will be placed on gearing all campaign plans to speed as well as efficiency. Early organization of volunteers permits enrollment of outstanding leaders, he stated, and response to the first call for men and women to fill key positions has been excellent. Waite is a long-time volunteer

God is Topic Of Christian Science Sermon

The Sunday Bible Lesson on "God" in all Christian Science churches emphasizes that He is supreme and ever at hand to save and to heal.

The Golden Text from I Samuel (2:2) asserts: "There is none like the Lord; for there is none beside thee; neither is there any rock like our God."

In a Bible Lesson passage from I Kings (8:27,28,29) Solomon declares: "The Lord our God be with us, as he was with our fathers: let him not leave

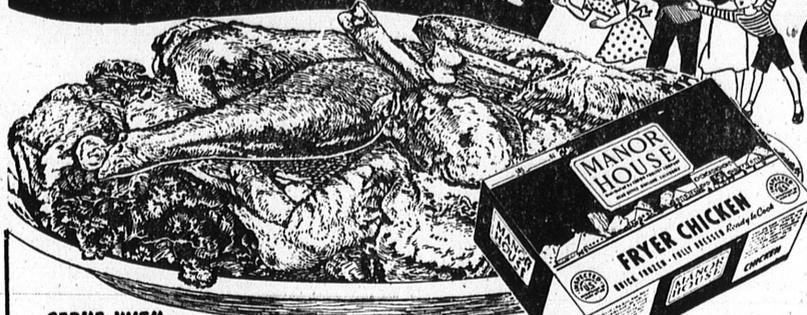

us, nor forsake us: . . . And let these my words . . . be night unto the Lord our God day and night. . . . That all the people of the earth may know that the Lord is God, and that there is none else."
