The Buffington piano studio at 1434 Post Avenue recently was the setting for two delightful recitals which featured duo-pianos. Talented duo-pianists featured both nights, were enthusiastically received by an appreciative audience.

In the first recital, Patricia Dunmyer, talented youthful soloist, sang three numbers accompanied at the piano by Nadine Nickel.

The Compton Counseling Service is offering a six weeks course for teenage girls. The class will begin Wednesday, July 11, 1:00 to 3:00 p.m. at the Service's headquarters, 1317 East Golden avenue, Compton.

The course is planned to help the teenage girl find a more beautiful self and to discover that it's fun to be a girl. Many problems that are frustrating to the teen-ager will be discussed, including how to get a date, how to act when you do, how to be charming and composed in difficult social situations.

At the end of the course, questions and problems submitted by the girls in the class, will be discussed in a mother and daughter panel discussion.
