Studebakers

Honestly folks, this is the best  
time to buy a new car we  
have seen for a long, long  
time. Selection is good, trade  
in values are wonderful, and  
future new car production is  
doubtful.

For the person interested in a  
new car or better used car the  
**BEST TIME** is Now!

This condition may change radically  
and soon!

- ★ Beat increased tax!
- ★ Beat further production cuts!
- ★ Buy before quality is reduced!
- ★ Buy now, and we will beat any deal in California!
