

New Crenshaw Link to Open Scenic PV Area

A link of Crenshaw boulevard, the first public road leading to the crest of the Palos Verdes hills, will be opened with ceremonies scheduled for 2:30 p.m. on Thursday, Sept. 27.

It is part of the main Los Angeles area artery which will extend, by 1953, from Wilshire boulevard straight through to its terminus on the ocean at Port of the Palms.

Opening of the new thoroughfare from Palos Verdes drive north to Crest road will provide a trans-peninsula highway, cutting through a scenic area heretofore reachable only over private roads.

Supervisor Raymond V. Darby and officials of the county road and sheriff's departments are scheduled to be present for the ribbon-cutting and road-opening ceremonies which will take place at the intersection of Crenshaw boulevard and Crest road.

The new link is composed of Crenshaw boulevard, Silver Spur and Montalaza roads, and with its opening, the Palos Verdes Corporation is deeding to Los Angeles County approximately four miles of Crest road so the public can drive across the Palos Verdes peninsula from Palos Verdes drive, north to the point where Crest exits on Palos Verdes drive, south, near Point Vicente lighthouse.

Kettler Kapers

By MILLIE WEST and JINNY JONES
Lomita 3003-J — Lomita 1256-J

Ill. folks: this is Jinny speaking. It's wonderful to be back home—as Millie said, "to rest." Incidentally, Millie deserves a vote of thanks for a job well done while the Joneses were vacationing—in fact, we will be writing the column together during the coming weeks. Don't hesitate to call us.

One of the couples of the Valkyries Club hosted a gay breakfast on Labor Day morning, bidding Jean and Jerry Loy, Eddie and Evelyn Dykstra, Elsie and Jay Yates, Marge and Roger Hansen to their home on Marinette street. Popular host and hostess were Betty and Herb Street.

Another Labor Day event was the hosting of the Don Davises by Eddie and Eva Katzorke at their cabin near 29 Palms, where they enjoyed a three-day rest "away from it all."

From 'way down South—Memphis, Tenn., is Mrs. C. W. Nancey, who has been spending the summer with son Robert and his family at Granerney avenue. This marks her fifth summer out here.

After patiently waiting throughout the summer for their long-planned trip, the Jay Nielsens are now visiting this week in Marcelina, Mo., Carmen's hometown. Hope we see their car rounding the corner next week.

Baby is named Ronald Gordon Evans. He arrived August 27 at the Bixby Knolls Hospital, Long Beach, at 11:55 p.m. Baby Ronald weighed 7 pounds, 13 ounces. Welcoming baby home are grandparents Mr. and Mrs. Albert Ely and Mr. and Mrs. Sam Ward. Congratulations to the very proud parents Ted and Winona Hanni of Middlebrook road.

Mr. and Mrs. Earl Holland of 22561 Palena avenue have recently returned home from a vacation that took them over 2500 miles and to many interesting places. They visited the amazing Carlsbad Caverns, the spectacular Grand Canyon, motored through Boulder City to view the Boulder Dam, then homeward with a stop at the famous city of Las Vegas.

The late season hasn't stopped the bite of the "camping bug"

—the Schaeffers, numbering five, enjoyed a camping and fishing trip to the High Sierras, their stop being Shaver Lake. Rose, Walt, Larry, Johnny and Maurice all caught some fish, too.

Happy birthday wishes go to little Carol Ann Winklebauer, of 2713 Martha street, who celebrated her fourth birthday with a gay birthday party. Sharing the games and delicious refreshments were 25 tiny tykes, each bearing a gaily-wrapped gift.

Celebrating his birthday with two parties was Gregory Oliver of Middlebrook road who reached the age of three on Labor Day. An afternoon party for neighborhood children Kent Dixon, Linda and Kathy Sisers, Terra Jensen, Candy Benson, Terra Jonsrud, Karen and Tommy Lucas, Judith and Sheral Saust and Michael, brother of Gregory, proved fun for all. An evening dinner party for great-grandparents Mr. and Mrs. R. L. Oliver and grandparents Mr. and Mrs. Louis Oliver rounded out an exciting day for young Gregory.

Galloping Gertie is making the rounds here in Kettler. What is it? It's a basket containing delicious home-baked goodies which, when parked at your door, you deposit 50c or more, take the goodies out, and your family quickly consumes same! Then you bake a mouth-watering little deal and send the basket to a friend. Nifty idea? We think so—it's a clever fundraising project of Circle 7. Last heard of, Galloping Gertie was at Jo Devanish's home.

For those born today, September 13, we have news for you! Did you know that you are strong, robust and love all outdoor sports? You are amiable, gracious, discreet and have the confidence of your associates. You are loving and sympathetic. Your flower is aster, birthstone sapphire and your color is brown, and you're governed by Mercury, or so says the horoscope book.

Yes, it's pleased and happy we are to say that in our appeal for news in last week's column, Mrs. Schaeffer and Mrs. Lucille Jonsrud gave us several tips! Thanks, girls! We sorta wish more news would come a'rolling in. ANY news; ALL news!

Real Estate License Course Added at Camino

A course in Real Estate License Preparation was recently added to the Business Curricular at El Camino College, scheduled for Wednesday nights from 7 until 10. The class will be taught by Ralph W. Nichols, prominent broker. Students completing the course, should, according to Mr.

Lutherans Plan Feed
