

Local Trio Earn Doctors Degree After Passing Optometry Exam

Polishing shingles to hang out this week are three new doctors of optometry—all classmates at the Los Angeles College of Optometry.

Now, and since last Friday when the results of the State Board Examination were announced, it is Dr. Joe Bay, Dr. Robert Isaacs and Dr. Robert W. Anderson.

Dr. Isaacs, who lives at 1870 West 218th street, plans to open offices in the Cravens Medical Center about October 1.

Dr. Bay, who lives with his wife, Mrs. Nadine Bay, classified advertising manager of the Torrance Herald, at 2528 Torrance boulevard, is presently assisting Dr. Clarence Ingold in the latter's Marcelina office.

Dr. Anderson is the son of Mr. and Mrs. F. E. Anderson of Long Beach. While attending school Dr. Anderson worked part time at the Torrance Hardware where his father has been employed for a number of years. The new doctor is a veteran of 34 months of service in the Pacific. He has not decided where he will practice, as yet.

Both Dr. Bay and Dr. Isaacs are graduates of Torrance High School. The former in 1933 and the latter in 1939. Dr. Isaacs earned a life membership in the California Scholarship Federation before leaving Torrance High School to attend Compton College and later USC. He has been employed in Central Hospital while attending optometry college. His wife, Mrs. Marion Isaacs, is presently a Spanish teacher at Torrance High School.

After graduating from the local high school Dr. Bay spent a number of months with the Marines on more than a score of South Pacific islands with the First Marine Air Wing as a Pharmacist's Mate.

The trio was among the 138 graduates completing the new five-year course in optometry as required by California law.

Dr. Anderson is the son of Mr. and Mrs. F. E. Anderson of Long Beach. While attending school Dr. Anderson worked part time at the Torrance Hardware where his father has been employed for a number of years. The new doctor is a veteran of 34 months of service in the Pacific. He has not decided where he will practice, as yet.

Mexican Baptist Church Opens Fund Campaign

A Spanish dinner Saturday night in the basement of the First Baptist Church at Carson and Martina streets will kick off a fund raising campaign for a new \$50,000 Spanish style church building for the First Mexican Baptist church at 925 West 223rd street, according to Rev. Manuel J. Zamorano, pastor of the church.

Plans for the new church which will seat 300 worshippers are nearing completion. Reverend Zamorano reported. He said a classroom building including recreational facilities and a kitchen were contemplated for the new church building. Members of the church have purchased an acre of land at the present location, and for several years have been holding services in a converted residence on the property.

Saturday night's dinner will be free, Reverend Zamorano said. He said a free-will offering to be applied to the building fund would be taken.

Thieves Loot Parked Cars at Ideco Lot

Two cars in the Ideco parking lot were looted last week by thieves who used the same method of attack as burglars who have recently broken into other Torrance autos, police reports show.

Two 1941 autos were entered and a tool set stolen from one, and a car radio and overhead light from the other. Entry to the parking lot was gained by cutting a heavy wire-net fence with bolt cutters.
