

# EL CAMINO COLLEGE TO HOLD OPEN HOUSE

Residents of the El Camino College district will be able to see and inspect college facilities at an open house to be held Sunday, October 25, from 3 to 5 p.m.

The school has announced that in addition to the new administration building which was put into use this semester, visitors will be shown the new social studies building, the cosmetology building and the Campus Center building.

Students and faculty members will be on hand for the open house ceremonies to greet visitors and conduct tours through the various buildings on campus.

Refreshments will be served in the Campus Center, which houses the student lounge, bookstore, soda fountain and cafeteria.

El Camino has a new peak enrollment this year, with 4400 students attending the college. Building plans are being made for a potential of 10,000 enrollment.

A new life science building is now under construction, and approval is being sought for construction of a combination library and classroom building, according to Carl G. Arfwedson, college business director.

## Call for Blood HEEDED By Torrance Navyman

Doing more than his share fighting Communist aggression donating blood for wounded comrades is John H. Ericson, construction electrician's mate, third class, Construction Battalion, USN, son of Mr. and Mrs. John H. Ericson of 22407 S. Denker avenue.

Ericson, who is attached to Mobile Construction Battalion Two, entered the naval service June 17, 1946.

To ease a dire shortage of whole blood for transfusions to Korean wounded, more than 700 Navy personnel made donations at a United Nations air base in Japan. This set a possible record for a single day's donations at one activity.

## Son Born to Wife Of Navy Lieutenant

A baby boy, weighing 5 pounds, 4 1/2 ounces, was born October 1 to Mrs. Hildred A. Isakson, wife of Lt. Harold B. Isakson, USN, at the U. S. Naval Hospital, Key West, Florida, it was learned here this week.

Lieutenant Isakson is serving with the Airship Development Experimental Squadron 11 at the Key West Air Station.

Mrs. Isakson is the daughter of Mrs. Hettie May Ferguson, of 1124 Carson street.

The baby, named Roger Earle, is the first child for the Isaksons.

## Navy Veteran Back from Army Duty in Korea

A veteran of service with the Navy during World War II returned home this week after spending 15 months with the Army in Korea.

Back on a 30-day furlough to visit his parents here is Sgt. Jack C. Young, son of Mr. and Mrs. Lyman Young, of 2213 Cabrillo avenue.

A former Torrance High School student, Young was attached to the Second Quartermaster Company, Second Infantry Division, while in Korea.

Young also spent 17 months in Europe with the Army before going to the Far East last year.

Following his furlough here, Young will report back to duty at Camp Roberts for reassignment.

## Publication Notes Local Job Program

National recognition came this week to the Torrance Kiwanis Club's program of providing jobs for members of the Torrance High and El Camino College Key Clubs and Circle K.

An article in the Keynote, official publication of the Key Club International, commented on the practice of providing Kiwanis Club members with cards giving them the telephone numbers of Torrance High School and El Camino College. Each member is asked to consult these two sources for summer and part-time workers. Members of the Key Club or the Circle K, have priority, but if the job can not be filled from their membership, the rest of the student bodies are given a chance at the jobs, the Keynote said.

Charles E. Wallace, vice-principal of the high school and a member of the Torrance Kiwanis Club, handles the job queries at Torrance High.

UP carried a story of Garfield E. Roggsack, a railroad engineer in Des Moines, Iowa, who earned \$141,708 during his lifetime. Fortune? Sure! Benefits of Free Enterprise.

Gordyn Crofoot was a desperately poor boy, chose farming in Montana, had faith in himself, his right to work eighteen hours a day, or none, plant what he thought best and harvest complete failure or fortune: he harvested \$122,000 during five years. (Sat. Eve. Post 8-25-51). Luck? Partly, but mostly Free Enterprise.

The man who sold you the suit you wear SAVED enough money to go into business. That's Free Enterprise. Your son cut lawns last summer: that's Free Enterprise. You make a telephone call. You couldn't if a thousand persons hadn't loaned their money to buy wire and instruments; that's Free Enterprise. Your Boss pays you a salary; he couldn't if he hadn't risked his capital; that's Free Enterprise.

Free Enterprise! Two words that can make you rich. Keep them.

# See You IN CHURCH Sunday

The signals are called, the ball is snapped, the game is on! Twenty-two alert men trained to perfection and timed to a fraction of a second. Yes, these fellows are keyed to a high fever of expectancy. The best athletes are the fellows who live the cleanest lives on the way up. The church helps greatly in preparing men morally for just such great tests. Yes, there are Two Groups of Substitutes on the sidelines but none quite ready to deliver. Neither is there any substitute for the influence of the Church in a man's life.

There is no substitute for character and morality, for integrity of soul. The supreme demand is for the genuine and the true. You and I are on the team for goodness and for God. Our friends, our neighbors and all our classmates expect us to be ready to play to win in true sportsmanlike manner. We can offer no substitute for our best. The church is a good place to learn His will for the game of life and on the gridiron. In the church we learn to live and play the Golden Rule way. Reverence and gratitude and devotion to a man's Highest Friend must be real. No substitute will do.

With the Hope that More People Will Come to Church this Series is Sponsored by The Torrance Ministerial Association and Made Possible by the Following Civic Leaders . . .
