

Walteria News Notes

By BETTY MITCHELL
Phone Lomita 2635-W

William Plake, 3918 W. 242nd St., has been a patient at Harbor General Hospital the past week having suffered a heart attack. Our best "get well" wishes are extended to him.

Wedding bells will soon ring for another of the younger members of our community, when Miss Barbara Gouker says "I do" to the preacher on Feb. 19. The wedding will be held in Lomita.

A special ground breaking program took place at the Walteria Baptist Church Feb. 3. Purpose of the ceremony was the building of a new sanctuary and additional Sunday School rooms of colonial design which are to be added to the church in the near future. The building committee has been working on the project since May, and the building will be based on a "pay-as-you-go" plan. All the work will be done by volunteer labor. Chairman of this committee is J. J. Hill. Co-chairmen are Norman Goodrick and Ronald Lee. Others on the committee include A. L. Holt, Lloyd Hughes, C. C. Lilly, Robert Feasler, and J. D. Winner. May we wish these sincere workers the very best of success.

Little Lois Phelps, Park St., has changed the usual report for this week; and is suffering from measles instead of the rampaging mumps.

Circle No. 1 held their monthly meeting at the home of Mrs. Thomas Kirk on Pacific Coast Hwy. Monday, Feb. 4. During the meeting the group elected Mrs. Conger sewing chairman, and Mrs. Cordell vice-chairman. They also planned a bake sale for the 23rd of this month.

Among the households having a real bout with the mumps is the Ziske home. So far only one member of their family has escaped the swollen jaws.

Little Peggy Edwards, daugh-

ter of Mr. and Mrs. Earl Edwards of Ocean Ave., is recuperating at home after a short illness.

Mr. and Mrs. Glen Ellis, Newton St., enjoyed a very pleasant afternoon last Saturday, Feb. 2, when they were guests of the Roger Andersons of Van Nuys.

Enjoying the snow last weekend were Bill and Mary Lou Corey of Hawthorne Blvd. The Coreys said there was more snow in the mountains than they have seen for a good many years.
