# 'Crest' Sets Gala Opening

## Manager Opens Doors Friday

Follow merchants along Craven Ave. have doctored their bonnets in a fond greeting to Crest Furniture who will officially swing open the doors to the public tomorrow in a gala opening celebration starting at 7 p.m.

The newest addition to Torrance's growing list of top mercantile establishments is located at 1413 Craven Ave., near Post Ave.

"Crest Torrance" is owned by and operated under the direct supervision of Jerry Baldwin, a resident here who has had many years of experience in the furniture business.

After returning from four and a half years in the service, Baldwin and his wife Dorothy Jean moved to Torrance. There are four children, Danny, Dennis, Kathy and Peggy, living at the Baldwin home, 17233 Castmir Ave.

The new store is the 21st member of the West Coast Buying Syndicate, "the friend of the store buyer."

Baldwin has assured that there will be flowers for the ladies and gifts for the kiddies plus entertainment, music and other prizes at the opening festivities tomorrow.

## Fleeing Driver Halted By Cops, Wanted By LAPD

When Police Officers R. E. Walker and T. Pattishal tried to flag down a motorist for a traffic violation and he wouldn't stop, it made them a little mad.

But when they finally succeeded in bringing him to a halt and he leaped out of his car and tried to run away—they knew everything wasn't jake.

A check with LAPD revealed that they had a warrant for a person by the same name, Johnny L. Gardum, who had skipped off while under \$500 bail. Harbor detectives took the gent for questioning.

It all happened at 2123 W. 203rd St. early Saturday morning.

## First Aid Courses On

Standard Red Cross first aid courses are now being conducted at the North Torrance Elementary School and the Torrance High School, the Red Cross announced recently.

The North Torrance classes meet Mondays and Wednesdays from 7 to 9 p.m., with Instructor Kenneth Bloomfield.

High school classes meet on Mondays and Thursdays, at the same hours. Marguerite Ferguson is instructor.

"Instruction in the skills and techniques of 'self help' will include material as set forth in the new civil defense supplement, and injuries and their treatment which might be sustained in the event of a disaster are discussed," officials said.

Information for late enrollment can be obtained by calling Torrance 3447.

# 93rd Anniversary

COME HELP US CELEBRATE

**Customers' Corner**

*We're 93 Candles on Our Cake!*

Your A&P is 93 years young this week. For it was about this time in 1859 that our founder, George Huntington Hartford, suddenly opened the doors of his modest little store on Vesey Street in downtown New York, the forerunner of today's A&P.

Even with his vision, we suppose he'd be surprised to see how his little business has grown.

We think he'd be proud, though, to know that the basic idea that guided him then, "to bring more good food to more people for less money," has been the reason for our growth.

We pledge to maintain this principle as long as there's an A&P!

There's nothing just as good that's **Cheaper!**

It's a fact! Your travel dollar buys more comfort, more convenience, more luxury and more miles on modern streamliners than on any other form of transportation. Roundtrips in chair cars on any of the Southern Pacific "name" trains listed below cost only about 2¢ a mile or less.

Chair cars on Southern Pacific's modern streamliners have been built with your comfort the first consideration. Dust-free, draft-free air-conditioning. No-glare fluorescent lighting. Soft-as-a-cloud foam-rubber seats. Lots of leg room and move-around room. Extra large windows. Feather-touch doors. Spacious washrooms. That's why Chair Cars on S. P. streamliners are the most luxurious form of all low-cost transportation.

There's nothing as good as S. P. for freight shipments, too. We have more miles of line serving more Western cities and towns than any other railroad. For fast, efficient, dependable freight service—whether carload or l.c.l.—call our nearest agent.
