Nineteen Enter City Horsehide League

Nineteen teams tentatively have been entered in the annual Recreation Department's Softball League, Director of Athletics Elmer "Red" Moon revealed this week.

Managers or sponsors from the ball clubs met with Moon this week to lay preliminary plans for the 1952 season. A date of May 12 has been set for the start.

Two leagues, an A and a B/C, manager: National Electric Products, Ace Vaughn, manager; Napellion. Those playing in the A League will be Harvey Manager; Dow Chemical, Jack Chine, Hank Croskey, manager; Maltse, manager; Lovelady Hard-

Two squads, General Petroleum and Columbia Steel, may enter the A League play if they round up top-notch hurlers.

In B/C play will be Great Lakes' Carbon, Clark Markets, H-Sharper Rivet, Tool Co., P. V. Merchants, Pittsburgh Paint, Longron Aircraft, Shell Chemical, Four Square Church, American Rock Wool, Waleria Businessmen's Association, and two new squads, Gold Band and Forbes-Huse Service Station.

Dow Chemical was last year's A League winner.

Schedules will be forthcoming. Moon said.

Warriors Last In Relay Run

Bakersfield JC squeaked past four-man 440 relay, where they Valley JC by one-half point to capture the East Los Angeles Relays for the third time Friday afternoon on the ELA oval.

El Camino was listed in the "also ran" category, as the Warriors picked up points in the

Wet Track Nips THS Meet

Warm Up for El Monte Relays Slated for Friday

Torrance High's tracksters who have great hopes of running in another track meet before the season rapidly grows to a close, met further disappointment this week when a "too-wet" track at Santa Monica resulted in a cancelled meet.

The Tartars have run two meets, both in the rain; another was rained out altogether.

Coach Vern Wolfe said that crew members will be working out this week for the El Monte relays with crossed fingers and tongue in cheek—a little skeptical that the clear days of Friday and yesterday will hold until next Friday afternoon.

Prospects on the roll-call for the relays include Warren Bennett, Bob Carroll and Dan Meyer in the shot put; Buddy Powers, Larry Roy and Don Mann in the high jump, and Roy, Burt Smith and Tom Mallard in the pole vault.

Although the line-ups for many of the relay-running events are not complete, Wolfe probably will run Joe Lafferty, Don Kasin, Wayne Mickels and Dick

Sentinels Edge Tartars In Bay League Opener

Torrance High dropped its initial tilt of the Bay League race Friday afternoon when they were nudged 6 to 5 by a hard-hitting Inglewood nine.

The locals held off until the fourth frame when five big runs seemed to clinch the game. But the game Sentinels, who knocked two across in the third, drove in another counter in the sixth and went wild in the final frame, rining up three runs.

Inglewood, sparked by Al Herring's four hits in five trips, including three doubles, outthit the Tartars 10 to 6.

Charlie Camou held down the hurling chores for the locals in the first six rounds and relinquished the mound to Manuel Oloque in the last. Johnny Spillar was behind home plate.

Camou fanned four of the Sentinel swatters, while the Sentinels' Ed Belme turned away nine Tartar hopefuls. Belme got credit for the win, Camou for the loss.

Football-Golf Tourney Plans Made at Alondra

The Second Annual Football-Golf Tournament for "all persons presently or formerly professionally connected with football" will be staged at Alondra Park on April 7, Alondra County Club officials said this week.

"All persons connected" includes coaches, assistant coaches, professional players, trainers, officials, graduate managers, team physicians, retired coaches, team outfitters, manufacturers and a whole slug of others.

Golf entry classifications are for dubs, hackers, just golfers, scratch players, pros and liars. An entry fee of \$5 will be charged to include green fee, tourney fee and a dinner.

Information and entry blanks can be obtained at the park clubhouse, 164th St. and Prairie Ave.

Hold Record

The New York Yankees established the "most double plays" record with 10 doubles during the 1951 World Series.

Snow Great, Bunnies Say

Snow conditions were reported excellent at all resorts yesterday, just in case you want to take a short jaunt to the mountains today.

Roads were open yesterday to all resorts except Kratka Ridge, but snow bunnies who know say that it is probably passable today.

Snow depths: BIG BEAR—90-150 inches; BLUE RIDGE—108 inches; GREEN VALLEY—120-168 inches; HOLIDAY HILL—90-130 inches; MT. BALDY—72-144 inches; MT. WATERMAN—120 inches; SNOW VALLEY—130-160 inches; IDYLL WILD—20-48 inches.

880-YARD WINNER

John Barnes of Occidental College won the NCAA championship half-mile race during track and field championships at Berkeley last year. His timing was 1 m., 50.7 sec.

CEE SQUAD KILLED IN BOYS' TOURNEY

Coach Dick Gresham's "C" basketball crew, playing under the sponsorship of the Torrance Recreation Department, was dumped, 66-17, in their opening game with the San Pedro Boys Club in the Harbor Boys Basketball tourney last week.

Slippy Smith was the high-point man for the local squad with eight counters.

The defeat dropped them into the consolation bracket in the triple-round tournament.

"In fairness to Coach Gresham, whose 12-13 year old team won the Torrance-Lomita championship this year, it should be said that his 'C' team is composed mostly of 'D' and 'E' players, hastily organized for this tourney play," Elmer "Red" Moon, city athletic director, stated.

"The winners, San Pedro, have played 16 games as a unit and are a highly polished aggregation," Moon advised.

Smith, local high scorer, was a "B" player thrown into the fray to equalize the squads. Jack Johnston stole the show with his ball-swiping ability.

DOUBLE WINNER

Morgan State College, paced by George Rhoden, was the only school to win more than one first place in the NCAA track and field championships held at Berkeley, last year.

SPEEDY 230-YARD

Andy Stanfield of Seton Hall and Walt McKibben of Occidental College recorded the fastest furlong race of the 1951 track year. Their time was 20.6s.

SIDEWALKS ARE YOUR BIG PROBLEM IN TORRANCE

Many of our children are forced to walk in the street or in the mud — to go to and from school. They're fighting heavy trucks and today's high-speed traffic.

Here is what I shall do: (1) Recommend to the City Engineering Department at a sidewalk survey be made immediately in North Torrance, Central Torrance, Waleria, Seaside, Hollywood Riviera. (2) Follow through on their recommendations to give our kids a break. To give you a break.

Here are three other ways we can make Torrance better FOR YOU. (1) Install traffic signals on Highway 101 at the entrance to Seaside, and Hollywood Riviera. (2) Work with the Planning Commission to see that your home, your family, are protected against "unwanted" construction moving in on you. (3) Encourage new industry to move in, to provide jobs and security for our people.

I shall recommend each of these ways to make Torrance better FOR YOU. More important, I shall continue to follow through.
