

No Problem at Flight Strip, State Says In Final Report

No problem exists at the Torrance Municipal Airport except for a slight occasional nuisance. This was the statement given last week by State Aeronautics officials to protesting residents in the flight strip area. A many-year to end the plane buzzing by the Lomita Property Owners and Registered Voters Association, sparked by Mrs. Victoria Phillips, virtually was ended by the state's "verdict."

The aeronautics commission still said, however, that low-flying aircraft should be reported to the Sheriff's Office— together with the serial number from the plane.

No further action is contemplated by the commission, the report said. A meeting was held several weeks ago at the airport lounge with local and government spokesmen in attendance.
