

UMM, PEANUT BUTTER! Home economics students at Greenwood Elementary School were busy this week baking 700 cookies for the PTA and school-sponsored open house last night honoring Public Schools Week. Fern Ave. Greenwood PTA furnished the ingredients for the wafers, and girls in Mrs. Maryn Solsky's class put them together and baked them. In addition to peanut butter, they made oatmeal, cocoa, Danish and sugar cookies. Jeanette Thompson of 1632 Date Ave. is putting a batch in the oven while her classmates, Delores Hudson of 1016 Crenshaw Blvd. and Nancy Rodgers of 1104 Acacia Ave., stand by to lend a helping hand. Fern Ave. will host its open house tonight. (Herald photo).

Eastern Star Fiesta Begins On Saturday

Eastern Star members of Torrance and their friends have been bidden to a fiesta at California's Eastern Star Home, 11725 Sunset Blvd., West Los Angeles, beginning Saturday and continuing through Tuesday, April 29. Participating in the activities from the local OES group are Worthy Matron Alethea Smith, Worthy Patron Floyd Mead and Past Patron Frederick Cook. Various groups within the order will maintain booths where visitors may purchase miscellaneous items, including aprons, foods and towels, during this annual pilgrimage. The booths will be open each day of the fiesta except Sunday, when only the snack booth will be operating. Proceeds from the event will be used to provide furnishings for the new addition to the home. Highlighting the four-day event will be the official visit of Helen Bell DeBeers of Pasadena, Worthy Grand Matron, at a 12:30 luncheon Tuesday.

Disaster Preparation Need Told

The importance of preparing children in the home for possible disasters was stressed by George C. Powell, assistant director of civil defense for Torrance, when he spoke last Thursday at the Fern Ave. Greenwood PTA meeting. Powell urged all parents to take the first aid and home nursing courses now offered by the Torrance branch of the American Red Cross. He said that employees in every branch of civil service were receiving specific training in civil defense in preparation for any major disaster. During the business session, Paul Shinoda, organizer of Cub Scout Pack 721C and Boy Scout Troop 721, was awarded an honorary life membership in PTA by Mrs. A. K. Krauszer, life membership chairman. Mrs. G. G. Grubb presided. Parents were reminded by C. I. Creelius and H. H. Schick, principals of Fern Ave. and Madrona Schools, of the pre-kindergarten registration which will take place April 29-30 at Fern Ave. and May 6-7 at Madrona. Announcement of a six-week summer school at three Torrance schools was made by Raymond

The school orchestra, under the direction of Miss Merlyn Anderson, opened the meeting. Den 5 of Cub Pack 728 gave the flag salute. Mrs. G. J. Derouin was in charge of seventh-grade room mothers who served refreshments.
