

Hi-Lites Of Seaside Heights

By GRAYCE RYCKMAN
Frontier 5-2410

It is with deepest sorrow that I tell of the passing of Joseph E. Johnson of 5233 Bindewald Rd. He came to the Heights in November, 1950 from Pennsylvania and had lived with his son, Joe Johnson Jr., daughter-in-law Esther Johnson, and grandson Robert, during that time. His going was sudden and a complete shock to his family and friends. He was buried Saturday morning in the Holy Cross cemetery, after mass was said at the American Martyrs Church in Manhattan. Joe and Esther have asked me to please write on

here their deep appreciation and grateful thanks to all you neighbors who shared in their bereavement.

Several more cases of measles this past week to report. Little Nancy Slover of Bindewald, sister of Susan, who just recently enjoyed the undivided attention of their mother due to measles occupied the spotlight and the "spots" herself this past week. But Nancy is glad to be better and to know that she can soon return to kindergarten. Also we had a sick neighbor and a mother, Anna Mae Elker, who had—yes!—the mumps. And was just doggone sick with them, too.

Lois Leonard of Zakon Rd. was rushed to the Seaside Hospital early last week for an appendectomy. And right on down the street from her, Altha Renc had to be taken to the Torrance Memorial Hospital for a few days. Both are home now and just need a warning to take it easy for a while. . . . On Bindewald we had a sick neighbor and a mother, Anna Mae Elker, who had—yes!—the mumps. And was just doggone sick with them, too.

Thirty-five very big-eyed little youngsters were shown some of the details of the Los Angeles International Airport last Wednesday. How thrilled they were. They are members of Jean Gellerman's kindergarten class of Seaside School. Mothers who were able to go with them saw many new and interesting sights, too. They were Mrs. Walter Sokolowski, George McBurney, A. L. Schriener, Seth Ludwick, John Geisser, Colton, H. Douglas Horne and Patterson.

April 30 was the date of a big baby shower for the future member of the Bedrosian family, whose mother, Lorraine, father, Bud, and sister, Becky Jo, live at 5220 Zakon Rd. The hostess of the shower was Agnes Wilshire of 5264 Zakon. The bearers of the many lovely gifts and sharers in an evening of fun were Charlene and Mrs. Bowles, Penny Broughton, Rose Marie Schriener, Lucy Gray, Nita Panick, Bobbie Leverenz, Helen Wellingshoff, Martha Falkner, Barbara Combs and Marie Reger.

Through the high praise of the students of Seaside School who attended the opera at Torrance High School April 30, I learned that we had two girls from Macaffee Rd. in the cast. They are Judith Slater and Juanita Pace. The kids were SO impressed, Judy and Juanita, with your singing and your gowns! Surely wish I could have seen you.

Grasping the first opportunity they had, Mr. and Mrs. Howard Wilkerson loaded up their camping gear and headed for the desert. They stayed at Cottonwood Springs for five days and then the gorgeous weather they had been having became coolish and wet, so they reluctantly returned home, 5261 Bindewald. Mrs. Wilkerson said the desert was more beautiful than she had ever seen it, and that there were just hundreds of vari-

Leroy Schwenk Now Master Sgt.

Leroy B. Schwenk whose wife, Donna, lives at 25118 1/2 Narbonne Ave., was recently promoted to master sergeant while serving with the 40th Infantry Division in Korea.

The division, a California National Guard unit, is holding a sector of the central Korean front south of battered Kumsong. It was transferred to Korea last December after having been part of the security force in Japan since April, 1951.

Master Sergeant Schwenk, who was called to active duty in September, 1950 is a member of Company A in the division's 578th Engineer Battalion.

He is the son of Mr. and Mrs. George B. Schwenk, 3723 Garnet St.

colored birds.

Speaking of birds, has anyone seen or found a light green parakeet, lost since Sunday when he and a blue parakeet escaped from the Joe Waddingham home on 5303 Bindewald? The blue one could not fly and was recovered—but have you seen the green one?
