

# Kettler Kapers

By TEO CUNNINGHAM, Lomita 232-J

I saw a cartoon in a recent issue of the Saturday Evening Post that expresses so many of us mothers' feelings. Along about now... it was a little boy, slingshot in his pocket and his arms full listening to his mother who is trying to clean say, "Well, you go right straight back and tell the playground director that you drive me nuts too!" But summer school has started this week and the supervised play at the recreation centers also so we can have a little relief... they are now taking registrations for the Alondra Park trips and it won't be long until those start so there's more relief in sight. Seriously though, if you are intending to take advantage of any of the programs offered for the summer, now is the time to sign up for them.

Summer months of sun and heat aren't the best thing in the world for our glamour... a wise woman does something about being able to enjoy them, yet keep looking her best. With this in mind, Mrs. Lee Turrentine gave Mrs. Dorothy Oliver of Middlebrook Rd. and her guest some helpful hints, at a cosmetic party recently hosted by Dorothy, Mesdames Willie Archbold, Gayle Oliver, Jessie Ritch and Gerlie Horner all found out what it feels like to be a glamour queen, and no doubt found hidden possibilities or ones that they had forgotten that they had. With each learning a new trick or two about makeup, the next time that "Sir Husband" takes them out, he's in for a surprise. I'd sure like to see his expression then. The evening was finished off with refreshments of angel food cake topped with chocolate whipped cream and coffee.

Another party, but of a different sort, was held a week ago last Thursday night at the home of Mrs. Dorothy Hampson, 1714 W. 236th St., when she and Mary Holland were co-hostesses at a shower honoring Mrs. Vee Reid. With the stork theme carried out in the table cloth and napkins, and booties of pink and blue decorating the cake, you couldn't help but know that one of those precious bundles, that disrupt our schedules and wear us out, yet have complete control of our hearts, is expected at Mrs. Reid's house soon. Gifts expressing their best wishes for the heir-to-be and their friendship for the mother, were Mrs. Jessie Fowler, Bea Keller, Dorothy Bucklewe, Carmen O'Keefe, Imogene Manning, Lorraine Hall, Rosemary Darnen, Maurine Whelwright, and three two hostesses. Taking home hot pad gloves, and a set of juice glasses were Dorothy Bucklewe and Vee... but they had to work for them! They won the prizes for the highest scores in the games.

Oh's and ah's were plentiful last Saturday afternoon at the Foster home on Martha St., for Eddie had a birthday and 31 of his kindergarten classmates, neighbors and cousins were there to help him celebrate and exclaim over each gift as he opened it. Being a typical 6-year-old boy, it just had to be a Hop-along Cassidy party, and you should have seen the cake! It was really nice, what with a picture of Hoppy himself, and a big "Happy Birthday Eddie" on it. Of course, ice cream and Cokes went with the cake. The children spent a delightful afternoon playing games in the back yard with prizes going to Jojo Porras and my little cherub (well, sometimes she is) Jorie Cunningham. Happy birthday Eddie from us too!

Did someone mention vacations? What are those things? Well, Joe and Velma Lucas, and offspring Tommy and Karen know for they "took off" on theirs to spend nearly a month in Martin's Ferry, Ohio. They'll visit relatives and old friends, as that is where they originally came from. It's been three years since they have been "home," so I know that they will have a wonderful time.

Things that happen right under my very nose, I don't seem to know about, at least not for a while... I knew that Bill Finch of 1903 Reynosa Dr. had

... racing boat in his back yard, ly thrilling, and it makes me real but I never once thought about him racing it. Come to find out he has been, along with Bill Willard of Huber St., and not only that, but they have been Convalescing at home after sojourns in the hospital fire hall has always fascinated me, so I J. Owen of Middlebrook Rd. and imagine that boat racing is real

... Sure glad to hear that you folks are home again and hope that it won't be long until you're both "good as new." Our deepest sympathy is extended to Mr. Forrest Buckley in the loss of his mother, Mrs. Lottie Buckley, last week. Mrs. Buckley was well known in the Knolls here, having lived with her son, Forrest, on Reynosa Dr. for some time, and she will be missed a lot. Getting back from a very delightful vacation recently were Walt and Edna Sharon, 2047

JUNE 26, 1952 TORRANCE HERALD Nine  
Reynosa Dr. They drove by change of scenery, though it was a little warm through the Chicago and Joliet, Ill. to visit with Edna's brother, Robert J. Boyd, and his family and old friends. Coming back by the southern route provided a such a swell time!
