

Kettler Kapers

By TEO CUNNINGHAM, Lomita 232-J

Ah! tomorrow we mothers can sigh a big sigh of relief! School starts and summer vacation is over and the kiddies all go back to school. . . won't it be heavy? But don't forget, with the new school year starting there are school activities starting too, in which we should all take a part, being room mothers and active PTA workers. Torrance Elementary School is starting its year off with a paper drive the 30th of Sept. If you haven't been saving your papers this summer, start now and have a few when the children come to collect them. The money from these paper drives always goes to a worthy cause, so let's all get in there and pitch to make the opening drive a really good one.

Also connected with the PTA is the need for a co-leader for

the Girl Scout troop, intermediate age level, which is being formed now to be sponsored by the PTA. Know anyone who might be interested? If you do or are interested yourself, contact either me or Mrs. H. E. Carr at Torrance 399-W. It is not necessary to have had the leader's training now, but if you haven't had it, it will be given later. It is a most gratifying work, as well as being interesting. The girls who will be in this new troop are mostly from the Knolls here, so it would be nice if their co-leader could be, too. . . their leader is.

She's going away to school, and a thrilling experience it is for Miss Margaret Combs, 15-year-old daughter of Jessie and Helena Combs of Western Ave.

She left Saturday for Fresno where she will be a student at West Coast Bible School. Last Thursday night she and Charles Nolley, son of Mr. and Mrs. Gordon L. Nolley of 218th St., who also is attending the Bible School, were guests of honor at a going-away party at the home of Charles' parents. They were showered with small going-away gifts by about 25 of their friends from school and the Church of God. The group gathered at the Nolley home, then proceeded to Torrance Park for the evening. Games were played and refreshments of soft drinks and cake were served. What pleasant memories to take away with them!

Another student going away to school is Howard Nelson of Marinette St., who will be a

sophomore at Brown Military Academy in San Diego this year. School doesn't officially open this early, but Howard is going out for the football team and had to report before the others. Members of St. Andrews Y.P.S. honored Cadet Nelson Friday night with a farewell party at the St. Andrew's Parish Hall. Twenty of the teenagers were there to play games and to dance to recordings. The evening was finished off with refreshments. Parents, Mr. and Mrs. Howard Nelson, motored to the Southern city with Howard Sunday.

Interested in taking a first-aid class? There is another Standard First-Aid course starting Tuesday, Sept. 16, at the Red Cross building on Torrance

Bvd. near Western. The class will be held from 7 to 9 p. m. Get-togethers are so much fun, and there have been several this past week. Mrs. Velma Lucas of Huber St. played hostess to a group of her friends and neighbors Friday night. Those who enjoyed the pleasant company were the Mesdames Ellen Hardesty, Millie Hines, Dell Catina, Marylou Morton, Theima Sotzer, Theresa Sifers, Lauretta Faust, Evelyn Bennett and daughter Carol, and yours truly, Teo. Marylou Morton amused the group and furnished many mirthful moments with her mind-reading act.

A group of friends gathered at the home of Mrs. Dona Clutter on Reynosa Dr. Thursday

evening to enjoy themselves and to look over the many useful things made of plastic which were on display. Games were played with Mrs. Georgia Spiker and Mrs. Erlene Walker winning the prizes. Others attending were Mesdames Madelyn Wayte, Ruth Clutter, Ione Aarup, Ruth Alstrom, Bertha Johnson and Teo Cunningham. Favors for everyone were small articles made of plastic.

Vacations are still the thing of interest and the late summer ones are just as much fun as the earlier ones. The Sifers—Henry, Theresa, and children—got back from their week ago Sunday. . . after spending two very enjoyable weeks up north in the Mother Lode country around Stockton, Lodi, Guerneville and Armstrong State

Park. They also visited relatives at Mokelumne Hill. Seeing many interesting things on their "time off" jaunt were Mr. and Mrs. Clyde Fitch of Reynolds Dr. They took a two-week trip to Wyoming and Yellowstone Park. While up in that locality they also went to Jackson Hole and to Clyde's brother, G. C. Fitch, in Cody, Wyo., where they spent three visit-filled days. The Fitches report that they had a wonderful time, and the weather was just perfect. . . couldn't have been better if they'd ordered it special. The highways were good, too, so even that angle of their vacation was enjoyable. As usual, time went faster than they wanted it to.

Here's a date to circle on the calendar, Oct. 6. . . it's the date of the next blood bank here in Torrance. It falls on a Monday again, so why not make plans to donate? Kettlerite girls who will be helping out will be Mrs. Rose Schaefer, Virginia Jones and Camilla Helphand.

Labor Day saw many Kettlerites taking advantage of the long week-end. . . among them were Larry and Wilma Brown of Reynolds Dr., who along with son Steve started for Carmel. . . they couldn't find a place to stay there so went on to San Francisco, where they spent the three-day holiday enjoying the sights and having fun.

Las Vegas furnished the excitement, entertainment and change for Erlene and Willie Walker, who along with Paul and Marvella Smith were the "Frontier" town's guests over Labor Day. The days were hot, but the evenings were very comfortable and it was lots of fun doing the town, Erlene reports.

And while we are talking about Labor Day activities, the Gene L. Loays and the Jim Moreheads all joined forces and went to the park in Ballflower for a picnic. . . Their host and hostess over there were Mr. and Mrs. Pat Sayers of that city. The children played ping-pong, but it was too hot to do much else, so the moms and dads just relaxed and visited.

Hear that Jo Devenish of Middlebrook Rd. is now home and fast feeling more like her old self again after surgery at Torrance Hospital. . . also hear that Carmen Neilson is feeling better after her bout with tonsillitis over the Labor Day week-end.

Bob and Mary Cummings spent a few days in Sequoia. . . had fun, too, I hear.

A week of complete relaxation and rest was enjoyed by the Wainwright family recently when they rented a house trailer and trekked south to Estero Beach in Lower California. They fished (when they fish, the luck is always bad, according to Dorothy), swam, and just rested. After the first day there wasn't an exciting incident to mar the tranquility of the week. Dorothy, not having used butane before, didn't realize that the oven was turned on, and while making breakfast, the accumulated gas let loose with a BANG! Fortunately, no one was hurt, nor was there any serious damage done, but there were four frightened people—Dorothy, Dennis, Norma Jean and Ann, who were all in the trailer at the time. After that, all went along serenely and they all came home rested and with beautiful sun-tans.

Lawrence and Julie Batty, of 2005 Middlebrook Rd., are a couple of the happiest Kettlerites in town these days as they tell of the birth of their second son, John Sigurd, born on his mother's birthday, Saturday, Sept. 4, at Torrance Memorial Hospital. The littlest Batty arrived at 10:40 a. m., weighing 7 lbs., 9 oz. The welcoming committee at home was composed of big brother, 7-year-old Roger, and an aunt, Mrs. Pearl Pettier, of St. Paul, Minn., who is going to spend the winter in our milder climate. Grandparents are Mr. and Mrs. Clarence Batty of Torrance, and Mr. and Mrs. Sigurd Brenden of Bryant, S. D. Congratulations, folks!

Sunday guests at the Morehead house on Middlebrook Rd. last week were Mr. and Mrs. Arthur Soderman of San Diego. They drove up for the day. Jim Marchhead is moving his family down there shortly. He has gone down there to start a new job and find a place to live, and Betty will hold the fort here until their house can be sold, then she and the children will join him. We'll be sorry to see them go.
