

**Walteria News Notes**

Occasionally word will reach us of exceptionally talented folks living here in Walteria. Such was the case this week when we learned that Herbert Case, Neece Ave., won another prize for art work on Horace Holdt TV program last Sunday night. The prize awarding was the culmination of a contest sponsored by Golden State Creamery in which there were over 10,000 entries.

The picture was a four by six print which entrants colored and sent in. At first the entry by Herby was discarded by the judges, because they thought it

was done by a professional. One of the judges, however, decided to find out for sure if such was the case, and made a trip to Walteria just to interview Herby. When he was shown that Herby actually had done the coloring, he informed the other judges and Herby was awarded the prize.

This was by no means a new experience for Herby, since he has won at least ten other prizes in art contests, as well as being awarded a scholarship to Chadwick School in Rolling Hills where he is attending his first year of high school. Last year he won Silver, son of Silver on the Lone Ranger program. Sunday he won a pony which will be named "Scout." He also has won three bicycles, a little pedal chain-driven tractor which his young brothers and sisters enjoy, and a black cocker puppy.

Herby also entered pictures to be judged for hanging in the recent Fisherman's Fiesta. Here his pictures were judged along with well known artists', and lo and behold, two of his pictures were accepted and hung.

**Top Musicians Billed for LDS Variety Program**

Three more top acts have been signed for the Latter Day Saints sponsored Variety Show to be presented at the Civic Auditorium, Oct. 27, at 8 p.m., according to an announcement made yesterday by the Church's Bishop Wheat.

The King Sisters, popular vocal group, Alvino Rey and his orchestra, and Lillas Stefan, concert pianist, all have been signed for the show.

Proceeds from the program will go to finance the church's new building at Cabillo Ave. and 220th St., now under construction.

These two pictures (water-colors) will be hung at the Palos Verdes Library in November, and I know that many Walterianites will want a look at real talent. Congratulations, Herby, we're proud of you!

Lots of goodies will be there, so don't miss it.
