

"He made the Stars also..."

God made two great lights; the greater to rule over the day, and the lesser to rule over the night. He made the stars also. Perhaps you are discouraged. Maybe you think that you do not count... that you are not even needed in the church. Maybe you are blindfolded to the opportunities that are all about you. Remember, He made the stars also. He made you.

THOUGH it may seem dark all about you and you may think your licks are all in vain. God never creates worthless things nor useless lives. Sure, He needs great lights... great leaders, but "He made the stars also." He made you and me. As much as God needs great men He also needs small, humble ones to take stations as reflectors. He made the stars to reflect the light of the sun.

GOD uses the church to woo men to the better life. The church must have leaders, and the church also has many ordinary, humble people who trust God and walk by faith... blindfolded or not. God made the great Light, but to reflect the great Light to all His world, "He Made the Stars Also." He needs you.

King Slates Home Meetings By Television

Final plans were completed this week-end for Congressman Cecil R. King to visit the homes of every voter in the 17th District having a television set.

The veteran legislator, after accepting as many as seven and eight invitations to speak and attend special events and home meetings each day for the past seven weeks, found it impossible to meet all requests for his appearance.

For that reason Congressman King will appear on two special "television" programs this week in the first "home meetings by TV" campaign history. Both TV appearances by Congressman King will be over station KLAG, channel 13. The one Wednesday evening, Oct. 29, will begin at 7:15 p.m., and the second will be on Thursday night, Oct. 30, starting at 9:45 p.m.

Proposition 10 Would Halt CTA

A resolution from the California Teachers Association was read to the Torrance Board of Education last week, calling attention to the fact that passage of Proposition 10 on the Nov. 4 ballot would do harm to many school organizations.

Associations like the CTA, which works for better conditions and better wages for teachers as well as attempting to coordinate many educational problems throughout the state would be abolished, it was indicated.

The Reformation

October 31 has come to be regarded as the birthday of the Protestant Reformation. It was on that day, in 1517, that Martin Luther nailed his 95 sentences on the door of the Castle Church in Wittenberg.

What was Martin Luther's great discovery? It was the cardinal doctrine of the Bible: "Therefore we conclude that a man is justified by faith, without the deeds of the law." Romans 3:28. Also Romans 11:6.

"By grace are we saved through faith, and that not of ourselves; it is the gift of God, not of works, lest any man should boast." Ephesians 2:8. Also Romans 11:6.

It was the Reformation of Martin Luther that once more brought this fundamental Bible doctrine into the light of day. Protestant America will have fallen on evil days, when once it surrenders one jot of this primary doctrine of the Christian faith.
