

Cosmetology Class Added at El Camino

Additional courses in cosmetology have been approved for this current semester at El Camino College. Dr. William H. Harless, director of instruction, said yesterday.

Because of the demand for courses in cosmetology, it was necessary to add beginning and advanced courses, according to the college official.

HOME RUN KING IN TORRANCE

It has been reported that living in our midst right here in Torrance is a real live home run king. Answering to the name of Sam Van Wagner, he made four home runs yesterday right off the bat—with his truck—running from home to home making estimates (cheerful, smiling, low) for his upholstery work.

Sam Van Wagner of Van's Mattress & Upholstery Company, 2083 Torrance Blvd., claims he makes a hit with each of his home runs. He says his aim is to please and his aim is good. The phone, please, Tor. 1194. (It's an ad.)

QUOTE 'N VEST

By Jack Treskes

He said: "When our daughter gets married, I won't think of it as losing a daughter. I'll think of it as gaining a bathroom."

The fact is that young ladies seem to be naturally prone to look their best. But with young men it's different. You sometimes have to sort of coax them to improve their appearance.

You have to say: "Now, come on, John. Remember, if you want to look better, better look in Treske's Men's Wear, 1319 El Prado" (between Newberry's and McCown Drug Store).
