## Twelve Torrance Men Rejoin 40th Division

Twelve Torrance men, veterans of Far East service with the 40th Division, have rejoined the 578th Engineer Battalion, it has been announced.

The battalion, which headquartered two companies in Torrance prior to its 1950 call to active duty, has been partially re-organized and is holding drills at the new Manhattan Beach Armory.

Back with the unit are: M/Sgt. James F. Wilkes, 1742 A. Cabrillo Ave.; SFC. Thomas M. Jones, 3020 Winlock St.; Sgt. Frank J. Bigler, 20422 Elliott St.; Sgt. Bobby L. Tyler, 832 Sartori St.; Pfc. Robert E. Edwards, 1866 Plaza del Amo; Pfc. Sunao Omatu, 3501 Torrance Blvd.; SFC. Paul R. Conion, 1011 Amapola Ave.

Sgt. Jimmy L. Pearey, 1523 W. 228th St.; Pfc. Mike Marinc, 2136 W. 203rd St.; Pfc. Daniel Villa, 2350 W. 203rd St.; Sgt. Kenneth D. Camp, 1023 Madrid Ave.; and Cpl. Bob J. Bisbee, 1317 Greenwood Ave.

**Now in Manhattan**  
The engineer battalion's headquarters, Headquarters and Service Company, and Company A, all former Torrance units, are now holding regular meetings at 7:30 p. m. each Monday at the Manhattan Armory, along with Company B, former South Bay unit.

The 578th was organized in the Torrance-Inglewood-South Bay area in 1947 and served as the local National Guard organization until it was ordered to active duty in September, 1950.

After seven months' training at Camp Cooke, along with the rest of the 40th "Sunburst" Division, the engineers were sent to Japan for nine months' additional training. In January it was sent to Korea where it sup-

ported the 40th with front line engineer work.

By May 4, when the program of returning original National Guard members to the United States was near completion, one Silver Star for gallantry and two Bronze Stars for valor in action had been awarded three 578th men, as well as Purple Hearts to five men for wounds received in action against the Chinese Reds.

Places are now open for new enlistees, Lt. Col. Dallas I. Downs, battalion commander, pointed out today.

Lt. Col. Downs, who also commanded the unit during its combat service, said state draft officials will give a 1-D draft classification to young men between 17 and 18½ years of age who sign up with the Guard. However, they must maintain a good attendance record at the weekly drills, Downs added.

The Manhattan Armory is located at 532 - 36th St. and its telephone number is FRontier 2-6611.

## Camino Makes Plans for Big Homecoming Celebration

Preparations were well under way this week for El Camino College's annual Homecoming celebrations, Joan King, Torrance, student commissioner of activities, said today. Homecoming Day will be Nov. 27.

Selection of a Homecoming Queen will take place Nov. 12. Miss King said, with the choice being made by a panel of seven impartial judges from outside the school including a sports commentator, a sports writer, a beauty consultant, a faculty wife and other community leaders.

Miss King and Don Mitchell, Torrance, the Associated Student Body vice president, said the theme for floats participating in the Homecoming parade will be "Nursery Rhymes and Children's Stories." Floats are to be constructed by various campus organizations which will vie for trophies in several divisions: men's and women's divisions, special interest groups and service clubs.

A Sweepstakes trophy is to be awarded to the builders of the best float.

## Didn't Want to Set World Afire, He Tells Police

A rejected suitor who couldn't raise a flame in the heart of a San Pedro woman kindled another blaze, officials say, and he wound up in jail.

Joseph A. Decker, 26, of 21306 Archibald St., was arrested by fire department arson squad officers on suspicion of arson Saturday. Squad members say he attempted to burn the home of his ex-sweetheart following a disappointing love affair.

Police said Decker succeeded in scorching a garage and fence behind the home of Beverly Kozlowski, of 587 W. 16th St. Miss Kozlowski reported that Decker had threatened her on several occasions because she did not acknowledge his attentions.

Arson investigators picked up Decker as he drove past the scene of the fire Saturday.

## WOMAN HAS TWO BACKS

It is reported that a local resident, Mrs. Doris Bellum, has two complete backs . . . and never knew about it until recently. One is a back back, the other is a front back.

To clarify the matter, Van's Mattress & Upholstery explained that both backs belong to Mrs. Bellum's sofa. When the sofa is observed from the rear one sees the back of it. However, when sitting on the sofa one leans against the back — thus making two backs.

Therefore, one back is the back of the back, the other back is the front of the back. If this seems confusing just bear in mind that the back of the back is in back of the front of the back and that the front of the back and the back of the back are back to back. If this is clear please call Tor. 1194 and explain it to us. Also call Tor. 1194 for the finest upholstery at the fairest of fees. It's an ad.

**QUOTE 'N VEST**  
By Jack Treskes

I'm convinced that money isn't everything. There's also real estate, bonds, securities, stocks, and investments.

But for real value and from an unbiased, impartial, unprejudiced point of view, let me recommend my store.

In it are clothes that make a stout man thinner, clothes that make a thin man stouter, and clothes that make wives proud of you. Remember, if you want to look better, better look in Treskes Men's Wear, 1319 El Prado (between Newberry's and McCown Drug Store).
