

Lutherans Set Thanksgiving Day Services

Thanksgiving services will be held at the First Lutheran Church Thursday morning at 9:30 o'clock.

Sermon text will be the Lord's Prayer. "Give us this day our daily bread." Daily bread, the sermon will explain, means everything that is required to satisfy our bodily needs, such as food, clothing, home, money, parents, children, good government, and the like.

Sermon will conclude with a prayer that God will lead man to acknowledge all these things as His gifts, and receive them with thanksgiving.

MANGANESE SITE

Almost every Japanese prefecture is engaged in the production of manganese ore.

Letters To The Editor

Thanks Expressed

The Torrance Herald:

To you, to the Torrance Herald, and to all of the kind, blessed people throughout the country:

There may be words to express our thanks and gratitude for all of the many things that have been done for our family, but we just don't know where to find them.

We believe that the many things all of you have done for Judy has completely changed the tide of battle for life for her.

There is just nothing left for her to do but get well.

We believe that there has never been a better job done at any time, any place, anywhere

by anyone. It is truly a thorough job.

We wish to express our most sincere thanks, and may God bless all of you.

Very gratefully yours,
Mr. and Mrs. W. W. Wixom and family.

Writer Identified

Editor:

Have you been able to identify the author of the letter to Judy which you published in your last Thursday's issue? It was such a wonderful letter I thought that I would like to tell the "Mrs. Figgins" who wrote it how much I enjoyed it.

Mrs. M. L. Finarty.

Editor's Note: Since we published the letter we did a little editorial sleuthing and discovered the author of the letter to Judy was Mrs. K. D. Figgins, 1632 Juniper Ave., Torrance 3381-J.

Soul and Body Today's Lesson Sermon Topic

The understanding of God as Soul heals bodily and mental ills, declares the lesson-sermon on "Soul and Body," to be read in the Christian Science Church today.

Golden text is from the Psalms (84:2): "My soul longeth, you even fainteth for the courts of the Lord; my heart and my flesh crieth out for the living God."

Also to be told is the story in Mark's Gospel (10:46, 47, 51, 52) of blind Bartimaeus, who "sat by the highway side begging," and cried out, saying, "Jesus, thou son of David, have mercy on me. . . . And Jesus answered and said unto him, What wilt thou that I should do unto thee? The blind man said unto him, Lord, that I might receive my sight. And Jesus said unto him, Go thy way, thy faith hath made thee whole. And immediately he received his sight, and followed Jesus in the way."

Mary Baker Eddy's testimony in "Science and Health with Key to the Scriptures" also will be given. Text is "Neither age nor accident can interfere with the senses of the Soul, and there are no other real senses." "Whatever is governed by God is never for an instant deprived of the light and might of intelligence and life."

NORTH TORRANCE TATTLER

Plans Shaping Up For Xmas Party

The Alpha Society of the Evangelical United Brethren Church, meeting at McMaster Hall pending the new church which will soon be erected in this area, has completed plans for the ham dinner and bazaar to be held in the hall at 174th and Yukon Dec. 6. Prices will be \$1.50 for adults, 75 cents for juniors and 35 cents up to five years of age. Good food will prevail as the articles of handwork will go on sale, many beautiful crocheted pieces, pot-holders and pillow cases, not to mention the aprons. For your Christmas gift list consider these handmade articles. Tickets are now on sale by members of the society.

The Mothers Club of Boy Scout Troop 761 met at the home of Mrs. Helen Holbrook, 17512 Cerise, to discuss the forthcoming Christmas party this week. Many plans were laid to entertain the boys at this gala event, Monday, Dec. 15 will be the next meeting date at the home of Mrs. Myrtle McBride, 17110 Ardath.

The Bluebirds and both the Junior and Senior Campfire girls got together for a skating party last week at the Gardens rink. Leaders M. Bertrand, J. Alford, R. Peterson and the following adults also attended: Janice Campos, Mrs. M. Weinger, and Rosemary Johnson.

The Perry Elementary School PTA met for the November meeting with guest speaker George Powell enlightening many on the Civil Defense methods of the area. Announcements made for further events included the hot lunch sale

Tuesday and the paper drive Dec. 3.

All are urged to attend the December meeting of the North Torrance Civic Improvement Association this Dec. 3 at McMaster Hall. Professor Lyle Tussing of El Camino College will speak and offer a film, "The Odds are Two-in-One," dealing with psychology in the home. The Association has plans under way for the annual Christmas party to be held at El Camino College at a date to be announced. Chairman Clint Beeden is making arrangements to host approximately 1600 children from the area. Santa Claus will visit those children who are ill and cannot make the party, and will also be on hand to greet the little tots at the party. Candy and toys will be presented to all with a very entertaining program lined up to

make this Christmas a very special one for all.

Looks as if old Santa has already visited the Jack Whit family who are driving a light blue, two-tone Ford as of this week!

I do hope your Thanksgiving is a most enjoyable one this year; as always, there is much to be thankful for.

Rubbercraft Employee Hurt

Second degree burns of the face and hands and a cut on the scalp were suffered by James M. Walston, 24, 20509 New Hampshire, in an accident Friday at the Rubbercraft Corp., 1800 W. 220th St.

Walston, Torrance police reports revealed, opened a pressure-rubber kettle used for cooking rubber before the pressure was completely down. He was scalded on the front of the body by the hot gases and struck his head on machinery when he fell.

He was taken to Torrance Memorial Hospital by county ambulance, treated, held overnight and discharged Saturday morning.
