

Lutherans Set Thanksgiving Day Services

Thanksgiving services will be held at the First Lutheran Church Thursday morning at 9:30 o'clock.

Sermon text will be the Lord's Prayer. "Give us this day our daily bread." Daily bread, the sermon will explain, means everything that is required to satisfy our bodily needs, such as food, clothing, home, money, parents, children, good government, and the like.

Sermon will conclude with a prayer that God will lead man to acknowledge all these things as His gifts, and receive them with thanksgiving.

Letters To The Editor

Thanks Expressed

The Torrance Herald: To you, to the Torrance Herald, and to all of the kind, blessed people throughout the country:

There may be words to express our thanks and gratitude for all of the many things that have been done for our family, but we just don't know where to find them.

We believe that the many things all of you have done for Judy has completely changed the tide of battle for life for her.

There is just nothing left for her to do but get well.

We believe that there has never been a better job done at any time, any place, anywhere

by anyone. It is truly a thorough job.

We wish to express our most sincere thanks, and may God bless all of you.

Very gratefully yours, Mr. and Mrs. W. W. Wixom and family.

Writer Identified

Editor: Have you been able to identify the author of the letter to Judy which you published in your last Thursday's issue? It was such a wonderful letter I thought that I would like to tell the "Mrs. Figgins" who wrote it how much I enjoyed it.

Mrs. M. L. Finary, Editor's Note: Since we published the letter we did a little editorial sleuthing and discovered the author of the letter to Judy was Mrs. K. D. Figgins, 1832 Juniper Ave., Torrance 3381-J.

Soul and Body Today's Lesson Sermon Topic

The understanding of God as Soul heals bodily and mental ills, declares the lesson-sermon on "Soul and Body," to be read in the Christian Science Church today.

Golden text is from the Psalms (84:2): "My soul longeth, yea even fainteth for the courts of the Lord; my heart and my flesh crieth out for the living God."

Also to be told is the story in Mark's Gospel (10:46, 47, 51, 52) of blind Bartimaeus, who "sat by the highway side begging" and cried out, saying, "Jesus, thou son of David, have mercy on me. . . . And Jesus answered and said unto him, What wilt thou that I should do unto thee? The blind man said unto him, Lord, that I might receive my sight. And Jesus said unto him, Go thy way, thy faith hath made thee whole. And immediately he received his sight, and followed Jesus in the way."

Mary Baker Eddy's testimony in "Science and Health with Key to the Scriptures" also will be given. Text is "Neither age nor accident can interfere with the senses of the Soul, and there are no other real senses." "Whatever is governed by God is never for an instant deprived of the light and might of intelligence and life."

Looks as if old Santa has already visited the Jack Whit family who are driving a light blue, two-tone Ford as of this week!

I do hope your Thanksgiving is a most enjoyable one this year; as always, there is much to be thankful for.

Rubbercraft Employee Hurt

Second degree burns of the face and hands and a cut on the scalp were suffered by James M. Walston, 24, 20509 New Hampshire, in an accident Friday at the Rubbercraft Corp., 1800 W. 220th St.

Walston, Torrance police reports revealed, opened a pressurized kettle used for cooking rubber before the pressure was completely down. He was scalded on the front of the body by the hot gases and struck his head on machinery when he fell.

He was taken to Torrance Memorial Hospital by county ambulance, treated, held overnight and discharged Saturday morning.
