

Senior Class To Present Broadway Play

"You Can't Take It With You," a hilarious Broadway comedy, has been selected by the senior class to be presented at Torrance High School Saturday night, Jan. 31.

Tickets for the play are now on sale at the high school at 50 cents for general admission and 75 cents for reserved section seats.

Featured in the cast are Janet Williamson and Dwight Hanna along with Jeanne Whitten, Jim Carin, and Janie Moffatt. Others making up the cast include Vonnie Griffin, Chuck Steward, Colcen Steffen, Carol Click, Jack Beeman, Sid Staxrud, Jim Berard, Vladimir Popovich, Dan Mayers, Harold Holmes, David Curl, and Robert Jimenez.

Production of the play is under the supervision of student director Julie Rhone and faculty director Desmond Wedberg.

Associated Telephone Is Renamed

The new year means a new name for the telephone company which serves much of the South Bay area including parts of Torrance.

The name of the Associated Telephone Co., Ltd., was changed as of Jan. 1, 1953, to General Telephone Co. of California, according to Edwin M. Blakeslee, president of the company.

The purpose of the change, Blakeslee said, was to achieve uniformity in name among the 12 General Telephone subsidiaries which operate from coast to coast.

Torrance phones with a Frontier prefix are served by the company with the new name. No change in management is involved in the name change.

El Camino Cuts Registration To Two Weeks

Registration period for the spring semester will be limited to two weeks at El Camino College, Merl F. Sloan, director of student personnel, said recently. Registration will begin Feb. 2 and run through Feb. 13.

In past semesters a period of three weeks was allowed for registration, Sloan said, but this has been shortened in order to speed up enrollment procedures. The current semester ends with final examinations beginning Jan. 22.

"Our offerings for the spring semester will be essentially the same as those being given this semester," Sloan said. "Some new courses are being established in several areas."

The college official emphasized that the services of the school's counseling service are available now to graduating seniors from the various high schools in this vicinity, and to others who may wish to enroll in the college. There is no charge for any of the college's services, Sloan said. There is no tuition fee.
