Sea Scout Unit Visits Mexico

Ten members of the Optimist Club-sponsored Sea Scout Unit 217 spent three days last week in Ensenada, Mex., with the unit's skipper, Dr. Joseph Bay. Leaving Sunday, the group traveled by auto to the Mexican resort where they camped out until Wednesday.

During the outing, the boys did their own cooking, planned their own meals, and indulged in the sport of surf fishing, and bottom fishing from the unit's small boat, according to Dr. Bay.

"It is really too early for good fishing there," the Scout leader said upon the group's return.

Making the trip were Paul Shinoda, Fred Hilton, Bob Lee, Tom Vanderpool, Butch Kulp, Warren Clementer, Frank Gunn, Tom Sawyer, Dave Huston, and Kenneth Bower.

Rascal Rips Receiver Right Off Its Rest

Police booked a telephone receiver as a material witness in a dismemberment case this week and were searching for the frustrated person or persons who ripped it from the wall. The "crime" occurred in a public phone booth on Gramercy Ave. Friday. Motives have been narrowed to two: 1) wrong number on last dime, or 2) intermittent busy signal.
