

# Visits, Parties Keep Kettlerites Hopping

**TEO CUNNINGHAM**  
Lomita 232-J

A visit from an old and very dear friend is always most enjoyable . . . so there were three weeks of joy at the home of Frank and Furry Curry on Reynosa Dr. recently when Mrs. Hazel Williams of Durango, Colorado, paid them a call. While here, much of the time was taken up with sightseeing . . . all the usual points of interest that Southern California is noted for, and "just visiting," though Furry did hostess a luncheon honoring Hazel with Mrs. Kenneth Parker and Mrs. Tom Sutton joining in on the festivities.

Miss Gay Larsen, 2708 Martha St. was hostess to about 14 of her schoolmates recently when she held a "Teen-age" party at her home. The garage was nicely decorated in the pastel colors of the Easter Season with the youngsters enjoying games and dancing to records. The evening was capped off with refreshments of "hot dawgs," potato chips, a big cake all decorated like an Easter basket, and soft drinks. From all reports, everyone had a wonderful time.

Stopped by the Schaefers on Gramercy the other day to see how their eldest son Maurice's broken elbow is getting along. Seems that he was scuffling with his brother out in the backyard and fell backwards . . . he tried to brace himself and the weight of his body and force of the fall gave him a really nasty break in the left elbow which has caused a great deal of pain and discomfort for Maurice as well as quite a few sleepless nights for Mom Rose and Dad Walt . . . but the worst is over and Maurice's el-

bow is on the mend . . . that is the kind of news we like to hear and we sincerely hope that it continues.

With eyes big as saucers and lots of "ohs and ahs" little David Huffman, son of Janie and Herschel Huffman, 2312 Huber St. opened the many lovely gifts at his birthday party last Saturday. Celebration marked his coming of the ripe old age of three . . . Little playmates wishing David a "Happy Birthday" were Laurie Fulford, Kenny and Robbie McCloskey, George and Marie Witz, Pat and Jerry Walls, Diane DeWitt, Pamela Hoy, Brother Paul Huffman, George and Richie Moraine, and cousins Jackie Jay, Joan, and Johnell Sullivan of Bell Gardens . . . mustn't forget Grandma was there too, Mrs. Ruth Huffman. It was really quite an occasion with free play out in the backyard and taking turns on the new swing set mommy and daddy had gotten for their boy. Favors were balloons and "blowers" while refreshments consisted of ice cream, candy, and cup cakes each with its own candle. There was a big cake too which the family cut later, that really interested the boys, for it had a big Indian on it. May you have many, many more Happy Birthdays just like that one, David!

The boys of Cub Scout Pack No. 732, and especially the boys of the three dens here in the Knolls want to thank everyone of you who bought doughnuts from them when they had their doughnut sale not too long ago . . . with the money that they raised from that sale the boys enjoyed a full and really wonderful day at the San Diego Zoo last Saturday. There were 59 boys and 23 adults who made the trip south by train. They were met at the depot by a special bus which took them directly to Balboa Park where the zoo is located and after having a picnic lunch, the boys learned much and had the pleasure of seeing all the different animals. Everything went off very smoothly and without as much as a scratched knee, so the chaperones are to be congratulated.

It always gives us a very nice feeling to extend a hand of welcome to new neighbors . . . and so may we introduce Francis and Elsie Fetherolf and children Dennis who is 10 and Sandra who is 8. The Fetherolfs have bought the Douglas house at 2811 Gramercy Ave. Elsie's folks have lived on 280th St. since 1931 so this section of town makes her feel right at home. They formerly lived on Beech St. which is closer to Francis' work at Columbia Steel but they both feel that they are going to be most happy in the Knolls. Francis' hobby or I should say hobbies, for he has two, are raising parakeets and tropical fish. Elsie is a Sunday School teacher for the Full Gospel Church in Redondo Beach, which keeps her quite busy and which you might say is her hobby. Welcome to the Knolls, folks, and we do hope that it will live up to all your expectations.

We often hear about things and because they don't touch us or anyone we know, we don't pay too much attention to them,

but every so often a thing strikes close to home. Katherine Clever, over there on Calamar St., told me that her brother, Cpl. Theodore A. Graham, was one of the men who were in one of the forward foxholes when the atom bomb was exploded recently at Yucca Flats, Nevada. Of course certain things are taboo to talk about, but the corporal said, when asked what his personal reaction was, that it was quite a thrill and that he wasn't worried about his own safety as he felt the Army wouldn't endanger their lives unnecessarily. Interesting isn't it, to get a first hand reaction from one of the participants and someone we know?

Sure hope that Jack Hoy's lip heals without too much discomfort . . . he had minor surgery on his lip last Friday which required five stitches, so he put in a rather uncomfortable week-end.

Do you like home-made pies and cakes? Then stop by the front of the Gay Shop Saturday, May 2nd and take your choice. The Mothers Club of Girl Scout Troop No. 898 is having a bake sale that morning featuring home made goodies.

Joe and Veina Lucas of Huber St. and children along with

Mr. and Mrs. Don Thompson from El Monte and their children spent the day last Sunday in Palm Springs. The weather was "made to order" for the picnic lunch, swimming, and seeing "the town" so the group had a really delightful day.

An interesting visitor to the Knolls was Dr. Mir Asad Ali, a native of Karachi, Pakistan, who was the guest of Jimmy and Madelyn Wayt of Reynosa Dr. They took him to dinner and to see Knott's Berry Farm . . . also introduced him to his first drive-in restaurant and theater, both of which he could hardly get over. Dr. Ali, who is a graduate in metallurgy of Manchester University in England spent about a week here in Torrance at Columbia Steel studying the operations of a plant this size. Madelyn found him most interesting in comparing his home life with American ways. The doctor is married and has two children, so is especially anxious to get back home, though America has treated him "royally." He speaks the Urdu language, which is the language of Pakistan, as well as English, and is a Mohammedan . . . Before he left, he wrote in his native language each of the Wayts names, his own, the date and the prayer that he says . . . what an interesting event!

# New Moose Governor To Be Seated Sunday

A capacity crowd of well-wishers is expected to be on hand for the annual installation of officers of the Torrance Lodge Loyal Order of Moose to be presented at the lodge hall, 1744 Carson St., Sunday, April 26th, at 2 p.m., Joseph Platt, public relations director, announced today.

Governor-elect Dan Desmond will be installed by George Powell, junior past governor of the lodge, immediately following the swearing-in of the junior officers. He will succeed Marvin MacArthur, present governor of the local fraternity. Desmond will be sworn in for his second, but not successive, term as the highest officer in the Torrance lodge.

Other officers to be installed are O. W. Sawyer, junior governor; Dan Hutchinson, finance officer; Carl Fisher, prelate; and Harry T. Green, trustee.

The incoming governor has announced the appointment of James Johnston as club steward and secretary, George Powell, civic affairs chairman, Frank Bell, ritual chairman, and Joe Platt, public relations director.

DAN DESMOND  
New Moose Governor

**CEMENT FORMULA**  
Portland cement is made of lime, silica, alumina, iron oxide, gypsum and small amounts of other ingredients. Lime and silica make up some 75 per cent of the mass.
