Moose to Choose Junior Governor

An election to fill the office of junior governor of the Torrance Lodge of the Loyal Order of Moose, formerly held by O. W. Sawyer, who resigned from the position last month, will be held at the lodge hall, 1744 Carson St., next Monday evening, Dec. 14, at 8 p.m., according to Secretary James Evans.

The lodge nominating committee has placed the names of five members of the organization on the ballot. They are: Ralph Fritz, Edward Price, Stanley Helman, James Baudin, and Fred Lydy.

Lesson-Sermon Next Sunday on Power of God

The promises of help and protection found in the Scriptures are ever in process of fulfillment. So says the Lesson-Sermon on "God the Preserver of Man" in all Christian Science churches Sunday.

The Golden Text is from Psalms (40:11): "Withhold not from thy tender mercies from me, O Lord: let thy lovingkindness and thy truth continually preserve me."

The restoration of Eutychus to life by Paul is in the Lesson (Acts 20:9, 10, 12). It is related that he "fell down from the third loft, and was taken up dead. And Paul went down, and fell on him, and embracing him said, Trouble not yourself; for his life is in him. . . . And they brought the young man alive, and were not a little comforted."

Mary Baker Eddy admonishes in "Science and Health with Key to the Scriptures": "When an accident happens, you think or exclaim, 'I am hurt!' Your thought is more powerful than your words, more powerful than the accident itself, to make the injury real. Now reverse the process. Declare that you are not hurt and understand the reason why, and you will find the ensuing good effects to be in exact proportion to your belief in physics, and your fidelity to divine metaphysical confidence in God as All, which the Scriptures declare 'Him to be' (p. 387).
