

High School Teacher For Many Years Dies

Mrs. Mabel Taylor Boynton, 65, who taught in Torrance High School for 26 years, was laid to rest yesterday afternoon following funeral services at Stone and Myers Mortuary. She died Sunday following a short illness.

Lesson-Sermon For Next Sunday Entitled 'Love'

The Sunday Lesson-Sermon in all Christian Science churches is entitled "Love." The sermon speaks of the loveliness and healing, protecting care of the Father.

The Psalmist declares in the Golden Text (145:8, 9), "The Lord is gracious, and full of compassion; . . . The Lord is good to all; and his tender mercies are over all his works." A Scriptural citation from Matthew (9: 2, 6-8) relates how Jesus, in the face of opposition and doubt, healed a man sick of the palsy, saying unto him, "Son, be of good cheer; thy sins be forgiven thee. . . . Arise, take up thy bed, and go into thine house. And he arose, and departed to his house. . . . When the multitudes saw it, they marvelled, and glorified God which had given such power unto men."

"Our Master cast out devils (evils) and healed the sick," affirms Mary Baker Eddy in "Science and Health with Key to the Scriptures." She adds, "It should be said of his followers also, that cast fear and evil out of themselves and others and heal the sick. God will heal the sick through man, whenever man is governed by God" (p. 494).

Church Sermon Subject Told

The Sunday sermon topic of the Rev. J. J. Walker of the First Christian Church will be "An Ancient Incident With a Modern Application," it was announced this week. Members of the church will gather at the YWCA Building, 2320 W. Carson St., on Feb. 5 to honor the Rev. and Mrs. Walker and 50 new members of the congregation. Refreshments will be served and a supervised school will be held from 7:30 to 10:30 p.m. for children while their parents attend the gathering.
