

# Sportsmen Gaunt Til Hamburger Fry

By MARY and JACK WEBB  
FR 5-8951

If any Riviera Sportsmen you look a little gaunt this week, there's a mighty good reason. They're eating light till Sunday. For next Sunday is the date set for the family feed down at El Retiro Park, where Sportsmen and all their families will eat all they want for just \$1 per family. It's a hamburger fry, says Louis Regan, 265 Vista del Parque, the Riviera club's president, and it'll be with all the trimmings and liquid refreshments. So if you'd check your gaunt friends on Sunday evening you'll know from whence came those swollen midriffs.

At the last meeting of Las Vecinas, held Thursday, March 25, at the Redondo Beach Woman's Club, Mr. Edgar Harrison Wilmore, director of the Home Advisory Bureau of Barker Bros., was the featured speaker. His address on home furnishings and interior decoration was well received by the members.

ship, reports Mrs. David Hurford, president of the club.

Born to Mr. and Mrs. Joseph Manning, 215 Via Alameda, on Friday, March 19, at Centinela Valley Hospital, was a nine-lb. 2½-oz. son whom they have named Michael Lawrence. He joins older brother Jerry and sister Gail at the Manning household.

Maternal grandparents are Mr. and Mrs. James Fullum of Everett, Mass., while paternal grandparents, at Boston, Mass., is Mr. J. L. Manning.

Albert Dean Browne, father of Mrs. Louis Regan, 265 Vista del Parque, and resident of Wilmington for 19 years, passed away at the Southern Pacific Hospital in San Francisco on March 20.

Mrs. Regan had visited with him for several days at the hospital, and had been home again only six days when she received the news. He was brought home, she reports, and was laid to rest at Green Hills Cemetery in San Pedro last week. Mrs. Browne has come to live with the Regans here in Riviera. Mr. Browne is survived by his wife, Mr. and Mrs. Regan and his three grandchildren, Ronald, 12, Susan 9, and Chris, 3.

Mrs. David Hurford, president of Las Vecinas, announced this week that the resignation of Mrs. Louis Regan as publicity chairman has been accepted. Mrs. Alex Hunt of Seaside Ranchos has been named her successor for the remainder of the term of office.

**NEW NEIGHBOR DEPT.**  
We'd like you to meet Mr. and Mrs. Theodore R. Corazza, 547 Calle Mayor, and their two children, Bobby 9, and Giva, 7. Mr. Corazza is purchasing agent for the Hoffman Laboratories. They moved into their new home here on Feb. 7 from their former residence in Redondo Beach. Mrs. Corazza reports that the joy of moving into a beautiful new home was marred slightly by the two children coming down with the mumps to commemorate the occasion. And then, just to cap the matter, she came down with them too. However,

all's well at 547 Calle Mayor now, and we can only say we're happy to have you with us.

Another little jolly dandy of a romping disease is reported from the household of Mr. and Mrs. Theo Linhart Jr., 120 Via Alameda, where chicken-pox has just swooped through. First to break out with red spots was daughter Anne, 4. She quickly passed it on to older sister Margaret, 6, who transmitted the stuff to baby John, 3 months old. We're happy to report that the pox has now left the Linharts, chicken and all. All three children's complexions have started clearing up and they are coasting downhill into perfect health again.

Got your date book, calendar or remembering string handy? The dates are tomorrow and Saturday, April 2 and 3, and again

the following Friday and Saturday, April 9 and 10. So jot it down, circle the date or tie the string around your finger— whichever method you use. You'll not want to miss the latest offering of our Hampton Play State. This brilliant play will be presented by the Players at Redondo Union High School Auditorium with curtain at 8:30. And just to make it the more provocative to Rivierans, we'll have several neighbors in the play. Rivierans Jim Reeves, Pat and Carl Rogers and Bruce Sutton are among our neighbors who play big roles in the presentation.

Over at 905 Calle Miramar, they are preparing for a christening. Comes Easter Sunday, and 2½-month-old Lucy Letitia Weir will be baptized at the Community Church in Manhattan Beach, report parents Mr. and Mrs. Fred Weir. The baptism will have a distinctive highlight in that Lucy will wear a 60-year-old christening gown, worn originally in Aberdeen, Scotland, by Mr. Weir's mother. A gown of finest Irish cloth, it was purchased by his grandparents and later brought to America when the family emigrated.

Godparents will be Mr. and Mrs. Lee Garwood, 630 Calle de Arboles, who will make it a group affair by having their two children, Kathleen Mary, 2, and Lee Ann, 7 months, baptized at the same time. Kathleen's godparents will be Mr. and Mrs. Weir, while Mr. and Mrs. Eugene Byrd, 529 Via la Selva, will be godparents for little Lee Ann.

Mr. and Mrs. Robert J. Prebley, 313 Via Linda Vista, report the birth of a daughter, whom they have named Linda Carol. Linda was born Tuesday, March 23, at the Hawthorne Hospital and weighed in at just five pounds. Mrs. Prebley has returned home, but Linda will remain

in an incubator at the hospital until she has gained enough weight to be safely brought home. Dr. Max Webber of Palos Verdes Estates officiated at the birth.

Maternal grandparents are Mr. and Mrs. J. Clifford Sams of Hermosa Beach, while paternal grandparents are Mr. and Mrs. Charles Presley of Ocean Park.
