Five El Camino Student Leaders Attend Confab

Five El Camino College students returned this week from the 17th bi-annual meeting of the California Junior College Student Government Assn. in Coronado which was attended by more than 350 college leaders. Attending from the local junior college were Shirley Anderson, Pete Walker, Bill Richie, Linda Barton, and Don Watkins.

Youthful Musician To Appear As Guest at Church Service

Guest artist at the Saturday night "Youth Jubilee" service of the Foursquare Church, 1207 El Prado, will be Johnny Luther, 11, versatile young musician who performs on the accordion, organ, piano, harmonica and ukulele. Young Johnny is credited with having a rare sense of "perfect pitch," that is he can name any note or chord struck on a piano without looking at the keyboard, according to the Rev. James P. Lowen, pastor. He has been performing in public since the age of three and almost every Youth for Christ rally in this area has had him as a guest, the pastor reported. He has also appeared on television and radio shows.

New Location For Car Lot

Tom Roady's Used Car lot has been moved from 15102 S. Western Ave. to 16647 S. Vermont Ave., it was announced this week.

Reason for the move was to be closer to the new car agency, which is located at 14514 S. Vermont Ave., to give better service and to be more centrally located, Roady spokesmen said.

The used car service department is now located in the new car agency. The used car lot, which has been furnished with a ceiling of lights, will be open from 8 a.m. to 9 p.m. on weekdays and from 9 a.m. to 6 p.m. on Sundays.

Salesmen are Phil Marks and Wally Spears; Jack Lattin is used car manager and Clyde Mackey is new car sales manager.

PRECISION STANDARDS
 Although some marine engines weigh hundreds of tons, many of their parts are made accurate to a thickness of about one-thirtieth of a human hair.
