Church Topic Soul, Body

"What agreement hath the temple of God with idols? for ye are the temple of the living God." This challenging thought from II Corinthians (6:16) is the Golden Text which highlights the Sunday Lesson-Sermon on "Soul and Body" in all Churches of Christ, Scientist.

Selections to be read from the Bible include the account (Luke 5: 12, 13) of "a man full of leprosy: who seeing Jesus fell on his face, and besought him, saying, Lord, if thou wilt, thou canst make me clean. And he put forth his hand, and touched him, saying, I will: be thou clean. And immediately the leprosy departed from him."

Mary Baker Eddy counsels in "Science and Health with Key to the Scriptures": "Keep distinctly in thought that man is the offspring of God, not of man; that man is Spirit, not material; that Soul is Spirit, never giving the body life and sensation. It breaks the dream of disease to understand that sickness is formed by the human mind, not by matter nor put forth his hand, and touched by the divine Mind" (p. 396).
