

Ticket Sales For Sheriff's Rodeo Opened This Week

Deputies and members of the Sheriff's Relief Association of Los Angeles County took to the field this week armed with books of tickets for their Ninth Annual Championship Rodeo to be held in the Los Angeles Coliseum on Sunday afternoon, Aug. 23. Tickets for the show are available at all county sheriff stations.

Sections of the country are ready to compete for one show will be on hand for the important prize money. Top money is to be posted for winners in bareback and saddle bronc riding, calf roping, steer wrestling and bulldogging. The greatest array of western motion picture, radio and TV stars ever to get together in one show will be on hand for the spectacular parade of more than 1000 riders, according to John R. Moss, general manager and producer of the rodeo. Proceeds from the sale of tickets go to the Sheriff's Relief Association Welfare Fund.

FAIRFAX 8-6581 BENEFIT FOR LITTLE LEAGUE SET

Well, after months of talk, we are finally going to do a benefit show. We've wanted to do something like this for a long time. But it seems that what with one thing and another we could never quite get it before. . . . Being a service group as well as a member of the most outstanding singing organization ever assembled, it seems fitting that, besides having fun with our hobby, we should offer our talents for the benefit of a worthy cause. We have sung for practically every organization in the South Bay area at one time or another, so we feel that we should do something on our own part. The SPEBSQSA has been active in many drives. A chapter in Arizona, by making a pint of blood the admission charge, collected over 2000 pints of blood for the Red Cross.

The Little League, that national organization of junior size baseball teams, is composed of kids from 8 to 12 years of age. There are thousands of these leagues all over America and literally hundreds of thousands of kids taking active part. The organization provides for fine character training as well as turning up latent talent to produce future players in that national pastime—baseball.

Boy, we really stuck our necks out last Thursday night! We'll probably be washing dishes at home now for the rest of our natural lives. . . . Because the Barbeshoppers washed dishes for the Torrance High Thespians Society's Annual Awards Dinner. . . . And naturally, while there, we had to prove ourselves worthy of our name. So . . . the Four Colonels of Corn quartet lovingly caressed a few chords to show the younger generation how their fathers and grandfathers had wailed away a few happy hours when they were young. . . . You understand, of course, that in singing barbershop harmony and thereby producing the "sweetest music this side of heaven" one temporarily leaves this planet and gently floats around in the upper spheres, completely unaware of the poor mortals left below.

And on this ethereal plane I will leave you while I dwell for a time among the stars, contemplating the merits of a diminished seventh chord.

Vandals Break Windows At Torrance Elementary

Authorities reported 15 windows missing from the Torrance elementary school last week. Police believe the windows were either shot out with BB guns, or broken with rocks. Sgt. D. C. Cook, juvenile officer, was detailed to look into the matter.
